College Credits with PennWest Clarion

Students wishing to take college level classes while enrolled in the eAcademy

If you are interested in participating in a Fall college class, please contact Taylor Mosher A.S.A.P. Fall classes begin the week of August 22nd. Winter and Spring class signups will take place at a later date.

On Campus Classes for students will be offered Friday afternoons (12:15-2:20)

Online Classes TBD

Cost: \$115 per Credit

One-time records fee of \$50

Tuition and fees are billed to the students' account online once they are approved and enrolled.

Students are responsible for getting required text books for their course. Books can be purchased from the PennWest Clarion University Book Store.

Transition to College:

Transition from high school to college is made easier by participating in Dual Enrollment. Some advantages include:

- Giving you time to adjust to rigorous academic expectations
- Remaining in a more comfortable setting (online classes)
- More opportunities to ask questions

Transferring Credits:

Your credits at PennWest Clarion are already part of your official transcript, so you will be earning general education credits toward your intended major. If you decide not to attend PennWest Clarion following graduation, we can help you transfer to the college or university of your choice. You can also explore transfer options at [PA Trac](#) for more information.

COVID-19 Precautions and Regulations

First and foremost, our priority is the safety of all our eAcademy students. We have worked hard to examine every aspect of the eAcademy to create an environment which complies with the current health guidelines.

Our pledge to our students and families is a thorough delivery of the best practices for social distancing, sanitized locations, flexible delivery of program content, and any other adaptations that may be required. This unique time calls for a level of flexibility on the part of all of us and we realize, just as we know students and families do also, that restrictions may change.

Because our program involves students from all over Venango County attending class, guest speakers, and touring area businesses, the program will be arranged a bit differently to meet the safety guidelines.

Here is what student can expect from the eAcademy program this year, based on the current Pennsylvania and CDC guidelines and recommended precautions for COVID-19. We will provide a high quality, engaging and life-changing program through socially responsible practices to protect our community as follows:

- We will adhere to CDC and PA Department of Health guidelines.
- We may require a temperature check at the beginning of program dates. In addition, some venues we visit may also require a temperature check at the door.
- Some companies that we tour may have their own guidelines that we need to follow to be allowed access to their facilities. We will pass that information on to the participants in advance.
- The class content and schedule may be adjusted based on recommendations from health experts.
- Our classroom location will have adequate room to physically distance from each other, and we may utilize outdoor space when possible.
- A mask might be required when students are arriving and departing, anytime students are up from their seat, and always when working in smaller groups. We will have disposable masks available if you do not have one.
- Everyone will be asked to exercise good hand hygiene, including not shaking hands, and washing hands and/or using hand sanitizer throughout the day. We will provide ample time for breaks to wash hands throughout the program. We will provide hand sanitizer throughout the program.
- If a student is sick or have any symptoms, **DO NOT REPORT TO THE PROGRAM**. Please notify the instructor that you will not be attending.
- Everyone will be asked to exercise basic virus prevention measures, including covering your mouth and nose when you cough or sneeze. Students will not be allowed to attend any program event if they

or someone in their household is experiencing COVID-19 symptoms and/or has been exposed to someone who is ill. In this case, the attendance policy for the eAcademy programs will be temporarily suspended, and we will work with students to complete program requirements.
