Foreword

The Juvenile Court Judges' Commission (JCJC) is pleased to present the second edition of its Juvenile Court Annual Report. Prior to the publication of the 2017 report, Pennsylvania juvenile court statistics were presented in a yearly series entitled Pennsylvania Juvenile Court Dispositions. The series, which ran from 1972 to 2016, focused primarily on juvenile court dispositions.

Beginning in 2017, the annual report has been enhanced to include additional juvenile court statistics to better measure and quantify work across the state by juvenile justice professionals. Specifically, information related to delinquency allegations received by each juvenile probation department is included. Key indicators including the volume of allegations received, allegation sources, and the most serious alleged offense by youth are presented. This information is critical to understanding who is entering Pennsylvania's juvenile court system. It is anticipated this report will continue to evolve over time and will eventually include additional measures of juvenile justice workflow in Pennsylvania. Juvenile delinquency dispositions continue to be summarized in this report, as in the past.

The JCJC would like to extend its deepest appreciation to the juvenile courts and juvenile probation departments across the Commonwealth. Without their support, this report would not be possible. It is with great pleasure that we dedicate this report to the judges, probation officers, victim advocates, district attorneys, defenders, service providers, and other professionals who work on a daily basis in the Pennsylvania juvenile court system.

Respectfully submitted,

Richard D. Steele
Executive Director

Honorable Kim Berkeley Clark
Chair

The format and presentation of the data in this report are intended to help summarize various juvenile court trends within the Commonwealth. In addition to the graphs and charts, narrative is included to help readers more quickly recognize various statewide trends, as well as highlight information not reflected in the visual displays.

The data within this year's report are generally organized in a manner that reflect the chronological processing of juvenile court delinquency cases, from allegation through disposition.

Some of the data are organized and presented in graphs by county class to help readers make comparisons across counties of similar size and demographic composition.

Raw data for each of Pennsylvania's 67 counties are available within the appendices.

Chapter 1 - Incoming Cases

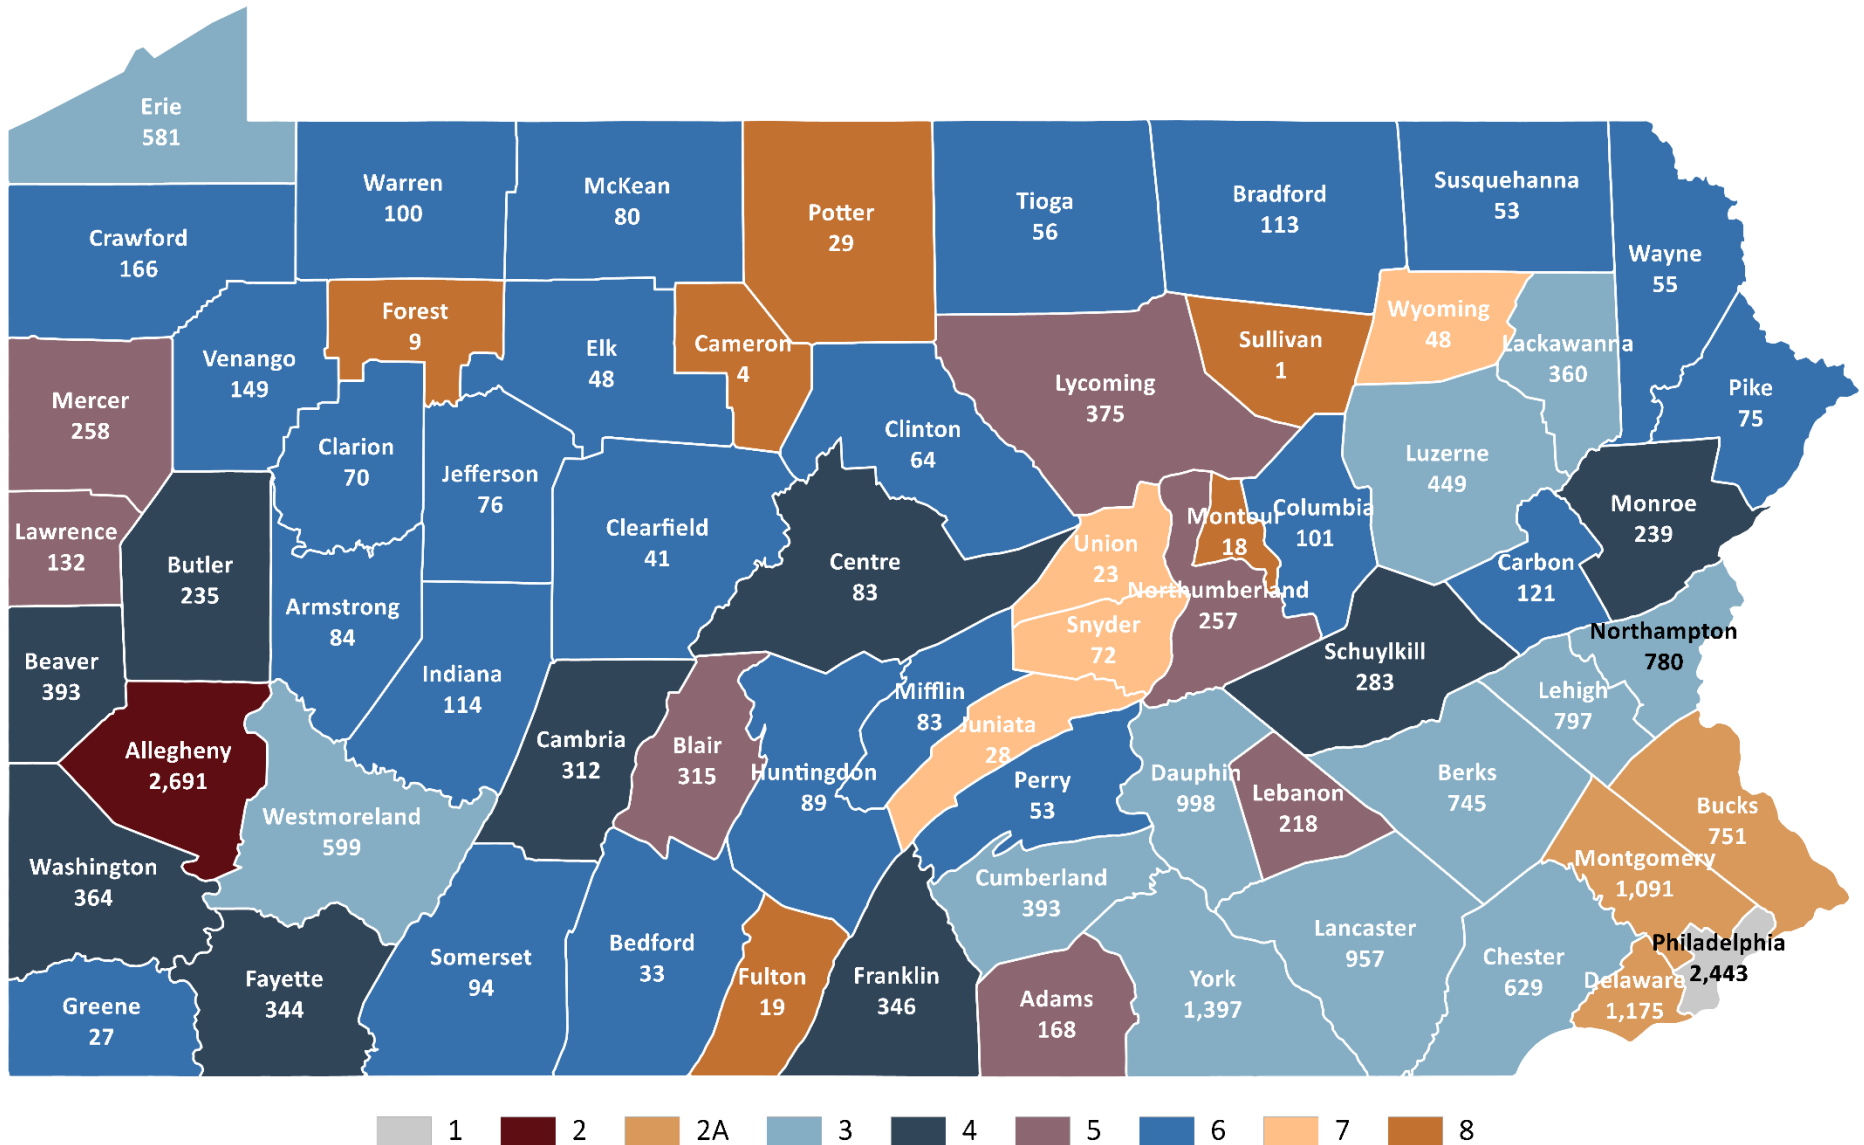

Section 1: Delinquency Allegations

1. The unit of count for this section is a written allegation. A written allegation is the document submitted by a law enforcement officer or other person to allege a juvenile has committed an act of delinquency. Multiple allegations may result in a single disposition. Allegations are synonymous with the term 'case' in the Pennsylvania Juvenile Case Management System (PaJCMS).
2. Written allegations in this section were filed with a juvenile probation department between January 1, 2018 and December 31, 2018.
3. In Pennsylvania, juvenile court jurisdiction extends over individuals who have been alleged to have committed a delinquent act, as defined by 42. Pa. C. S. § 6301 et seq., on or after their tenth birthday and prior to reaching eighteen years of age. Juvenile court supervision can extend until the individual is twenty-one years of age if the individual is currently under supervision. Age for purposes of this section was calculated from the juvenile's date of birth to the date of the offense in the written allegation.
4. Data for this report were compiled from PaJCMS on March 20, 2019. The numbers published in this report, therefore, may not reflect current numbers within the system.

2018 Delinquency Allegations

2018 Delinquency Allegations by County Class

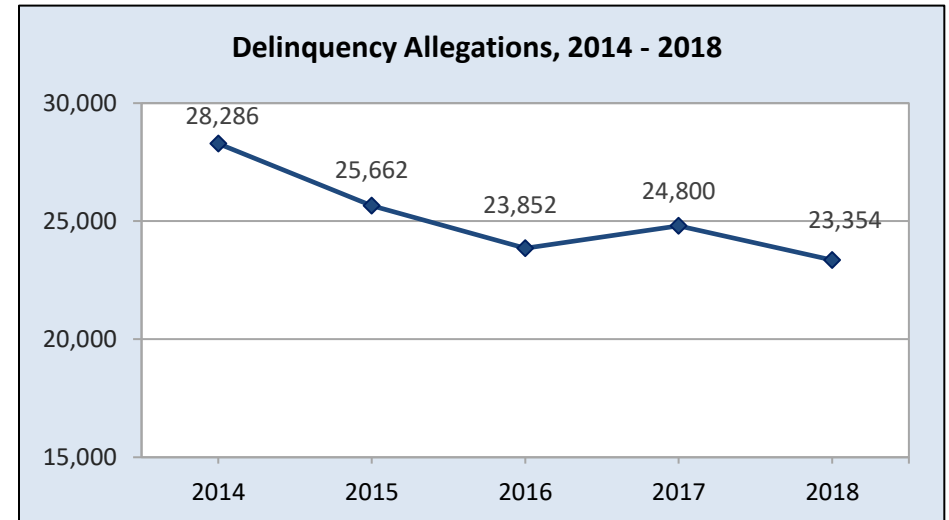

Note: 2018 County Class data retrieved from County Commissioners Association of Pennsylvania at <http://www.pacounties.org/PAsCounties/Pages/Counties-by-Class.aspx>.

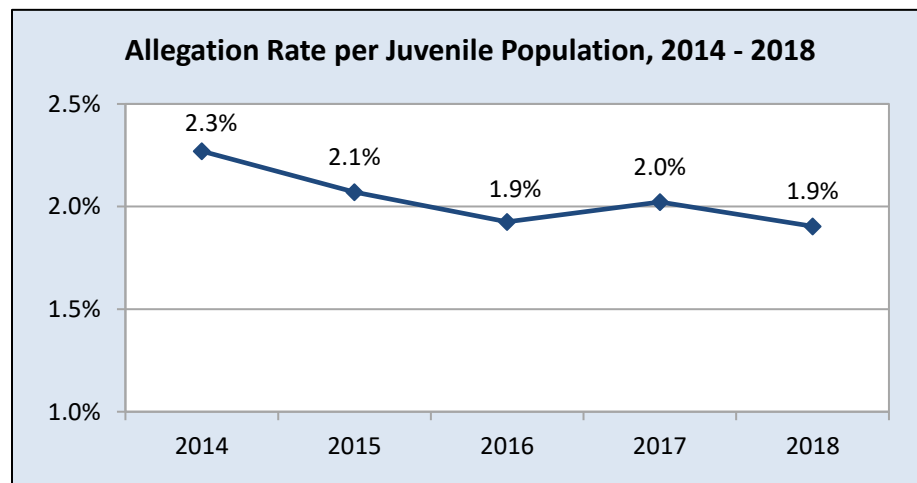

Delinquency Allegations, 2014-2018

There were 23,354 delinquency-related allegations in Pennsylvania during 2018. This represents a 17.4% decrease from 2014, and a 5.8% decrease from 2017.

Over one third (37.7%) of the total allegations received in 2018 across Pennsylvania occurred in five jurisdictions (see map on page 3). These jurisdictions include: Allegheny, Philadelphia, York, Montgomery, and Delaware. Each of these five counties reported over 1,000 allegations.

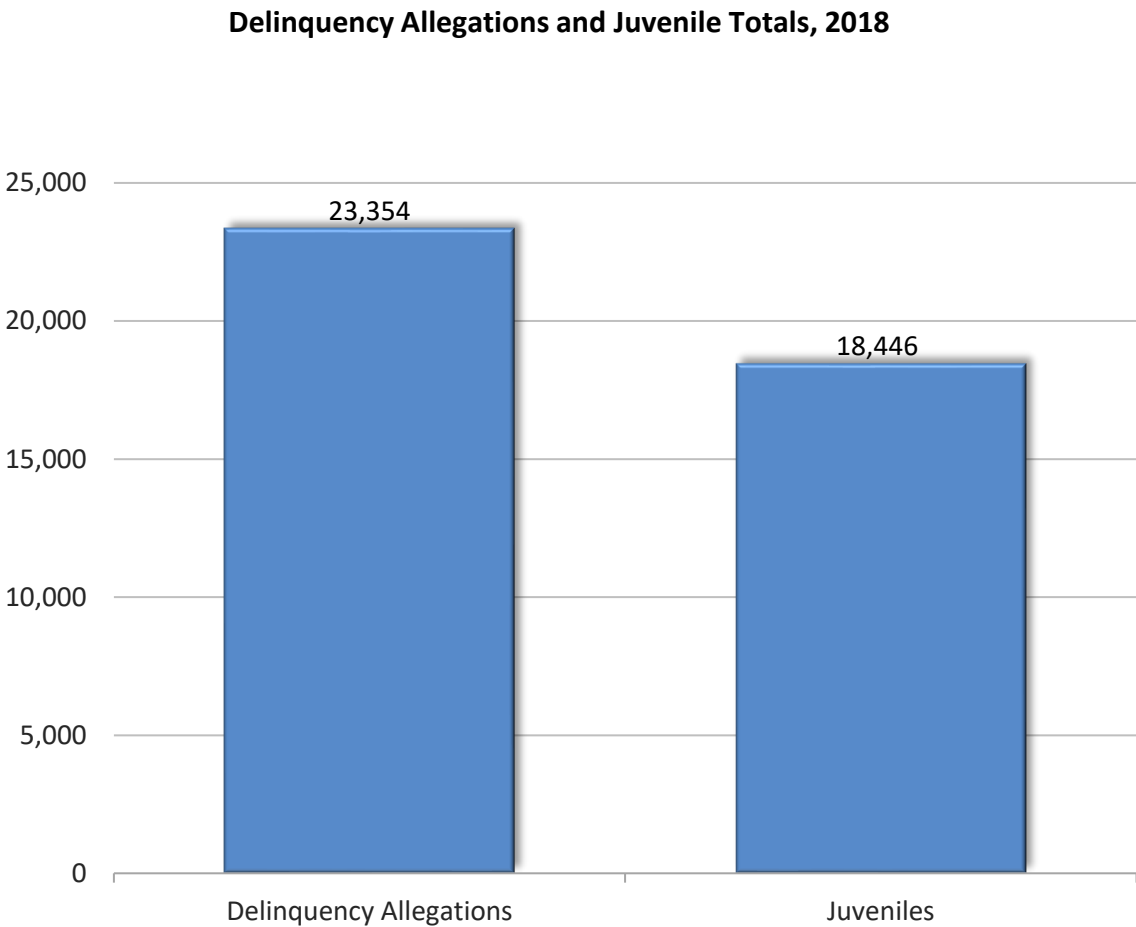

Allegation Rate per Juvenile Population, 2014-2018

Between 2014 and 2018, the rate of juvenile delinquency allegations as a percent of the Pennsylvania juvenile population declined by 17.4%, from 2.3% to 1.9%.

Delinquency Allegations and Juvenile Totals, 2018

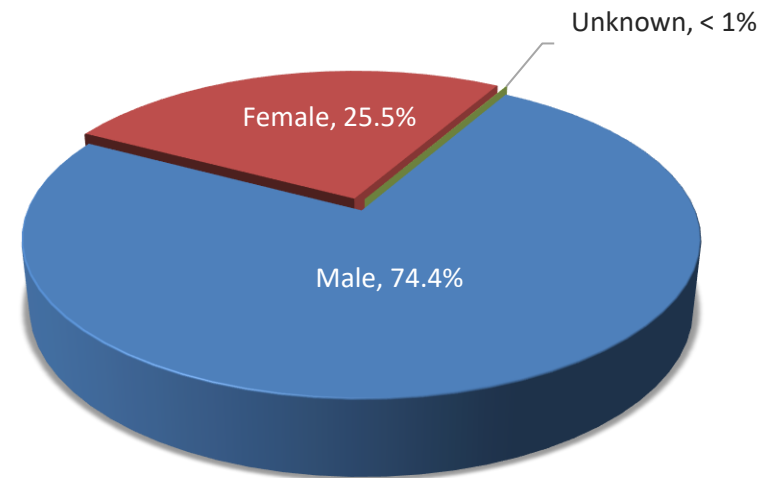

There were 18,446 juveniles accounting for 23,354 delinquency allegations in Pennsylvania in 2018. This equates to an average of 1.27 delinquency allegations per juvenile. Similarly, the range among counties of delinquency allegations to alleged delinquent juveniles in 2018 was 1.0 to 1.56 (see Appendix 3).

Delinquency Allegations by Gender, 2018

Juvenile delinquency allegations in Pennsylvania primarily involve males. In 2018, approximately three in four (74.4%) delinquency allegations submitted to juvenile probation departments involved males, while approximately one in four (25.5%) involved females.

Delinquency Allegations by Gender, 2018

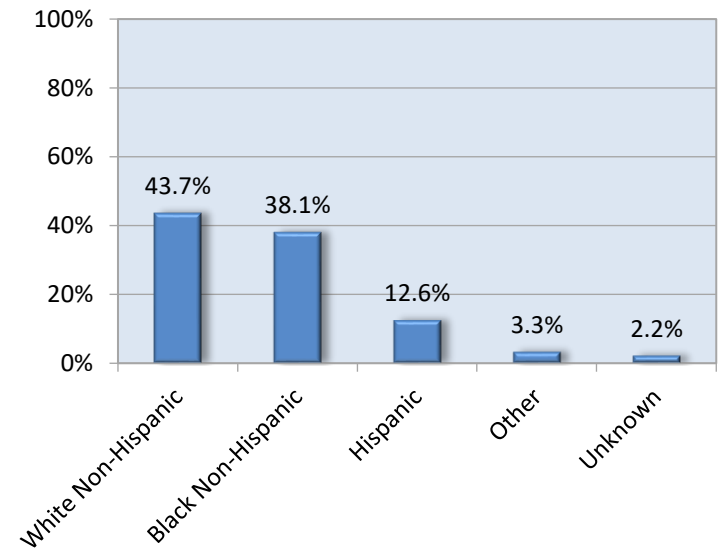

Delinquency Allegations by Race and Ethnicity, 2018

In 2018, White Non-Hispanic youth represented the largest racial/ethnic category for all delinquency allegations.

However, in comparison to the racial/ethnic distribution of all youth in Pennsylvania aged 10-17, the representation of Black Non-Hispanic youth is disproportionate: 14.1% of the total population versus 38.1% of all delinquency allegations.*

When excluding Philadelphia County and Allegheny County, Black Non-Hispanic youth represent 8.2% of the youth population, but 28.9% of all delinquency allegations. See Appendix 4 for the number of delinquency allegations by race and ethnicity for each county.

Delinquency Allegations by Race and Ethnicity, 2018

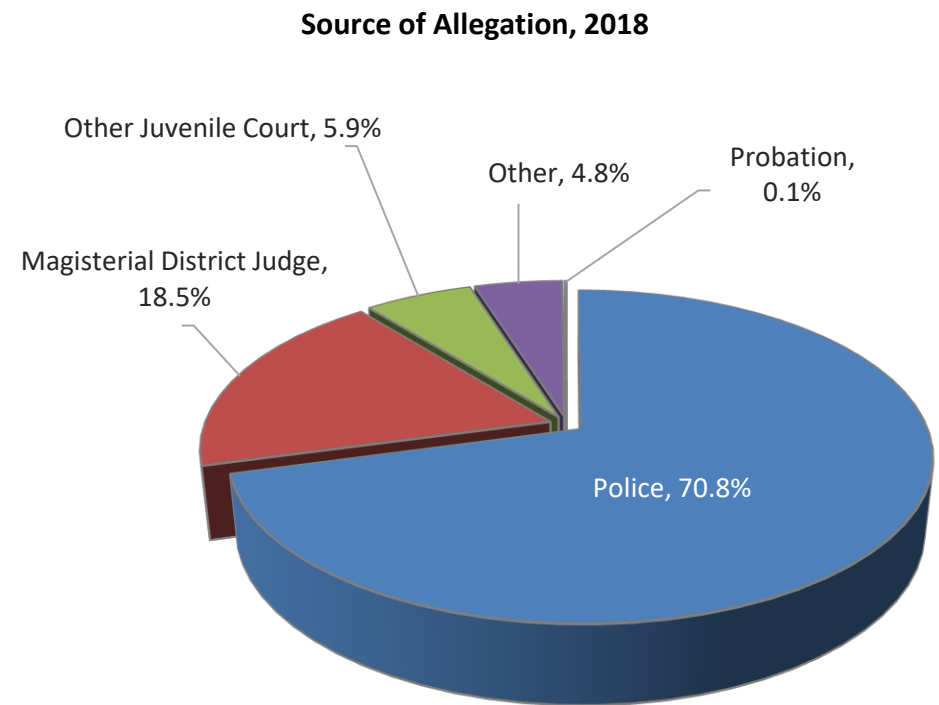

*2017 Juvenile Population Ages 10 to 17 can be found on page 32.

Source of Allegation, 2018

Police and Magisterial District Judges were the primary sources of delinquency allegations in 2018 – 70.8% and 18.5%, respectively.

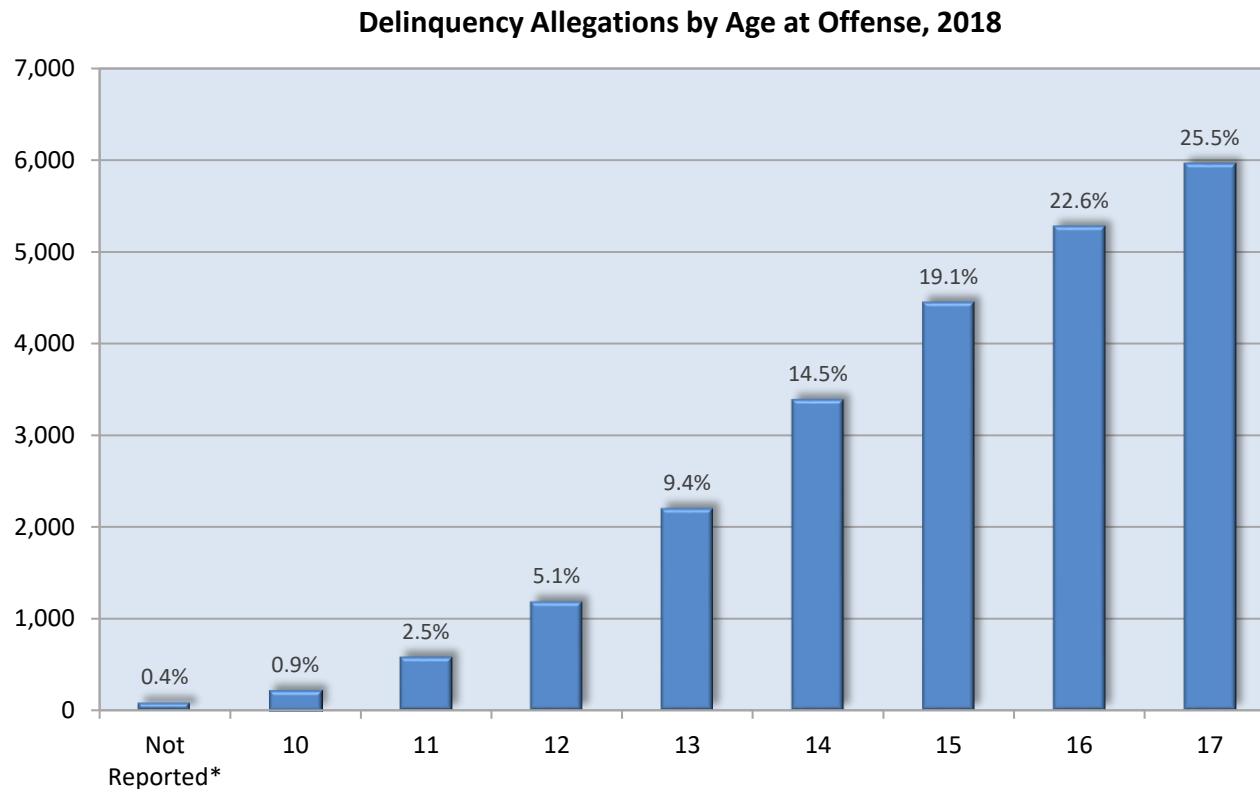

Note: The category “Other” includes delinquency allegations received from schools, social agencies, relatives, and cases transferred from criminal court.

Source of Allegation	Count	Percent
Police	16,523	70.8%
Magisterial District Judge	4,314	18.5%
Other Juvenile Court	1,372	5.9%
Other	1,116	4.8%
Probation	29	0.1%
Total	23,354	100.0%

Delinquency Allegations by Age at Offense, 2018

Seventeen-year-olds accounted for 25.5% of all juvenile delinquency allegations in 2018, representing the most allegations for any age group. Juveniles aged sixteen accounted for 22.6% of all juvenile delinquency allegations, while fifteen-year-olds accounted for 19.1% of all juvenile delinquency allegations.

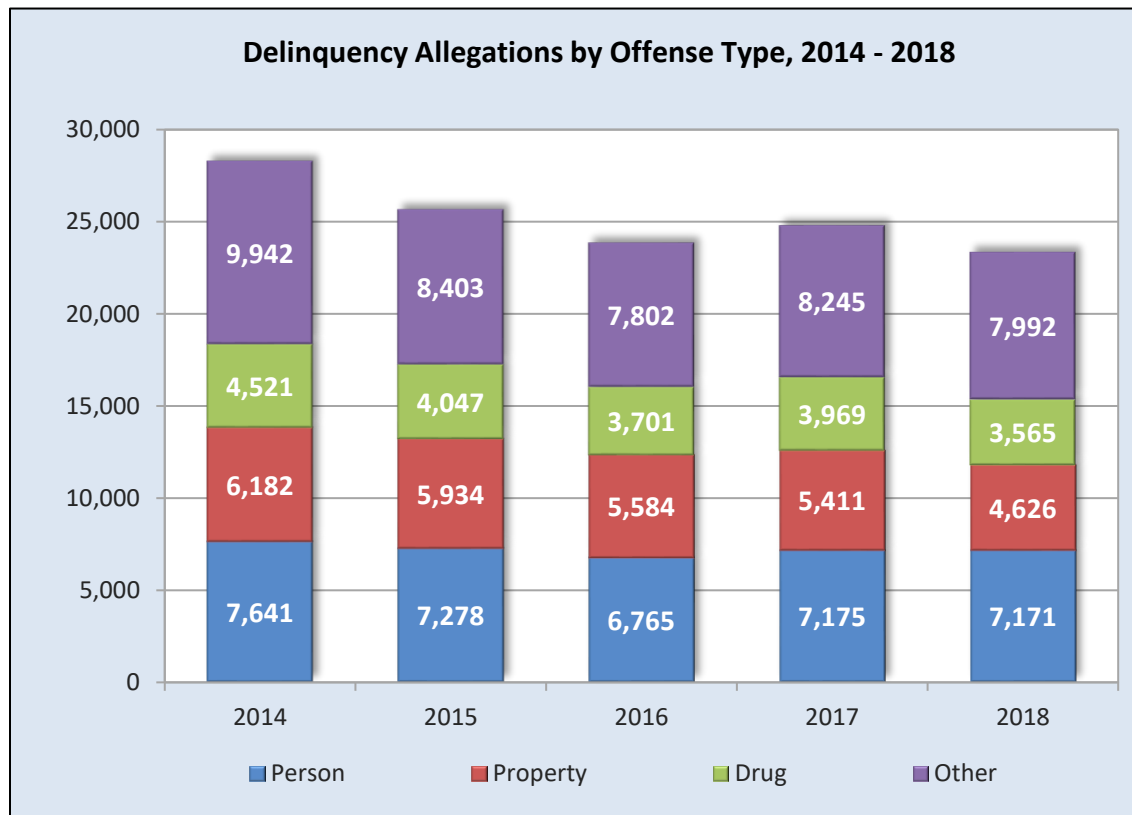

Note: Age is calculated at the time of the alleged delinquent offense.

*Includes inter-state transfers and MDJ referrals for non-payment of fines where the age at time of offense is not reported.

Delinquency Allegations by Offense Type, 2014-2018

The following information was compiled based on the most serious alleged offense for each juvenile delinquency allegation received in Pennsylvania between 2014 and 2018. That is, only one offense per delinquency allegation is counted in the figures below. These alleged offenses are broken into four offense categories: Person, Property, Drug, and “Other.”

Between 2014 and 2018, the number of allegations received for Property offenses decreased at the highest rate (25.2%), while the number of allegations received for Drug offenses decreased by 21.1%. The number of allegations received for “Other” and Person offenses also declined in this time period (19.6% and 6.2%, respectively).

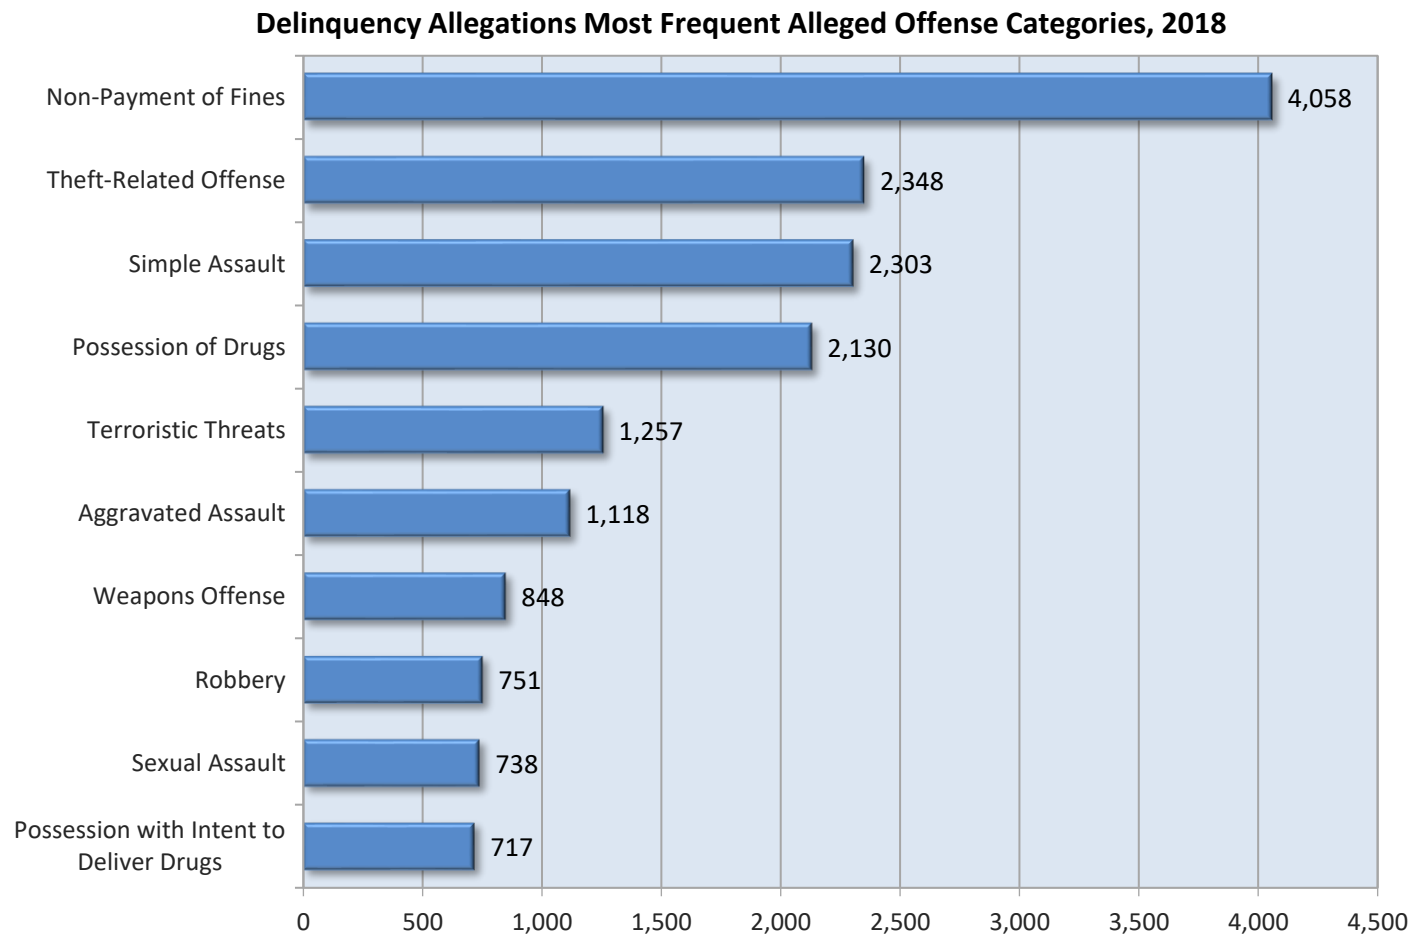

Note: The “Other” offenses category includes, but is not limited to: Public Order offenses such as Disorderly Conduct or Weapon on School Property; Firearms Offenses; and Certifications from the minor judiciary that a juvenile failed to comply with a lawful sentence imposed for a summary offense.

Delinquency Allegations Most Frequent Alleged Offense Categories, 2018

The following information was compiled based on the most serious alleged offense for each juvenile delinquency allegation received in Pennsylvania in 2018. That is, only one offense per delinquency allegation is counted in the figures below.

Non-payment of fines, theft-related offenses, simple assault, and possession of drugs were the most frequently occurring alleged offenses.

Note: Theft-related offenses include: theft, theft by unlawful taking, theft by deception, theft by extortion, theft by receiving stolen property, theft of services, and theft from a motor vehicle. Weapons offenses include: Firearm-related offenses, possession of an instrument of crime, and possession of weapon on school property.

Section 2: Secure Detention

In accordance with the Juvenile Court Judges' Commission's Standards Governing Secure Detention, all counties report their secure detention admissions to the Commission. Detention information was extracted from the secure detention database at the Center for Juvenile Justice Training and Research, which is populated with data reported directly from juvenile detention centers each month.

When interpreting the data contained in these tables, the reader should note the following:

- 1) The unit of count is the admission of a juvenile to a secure detention center.
- 2) A juvenile who is admitted to a secure detention center and subsequently transferred to another secure detention center without release is counted as two admissions.

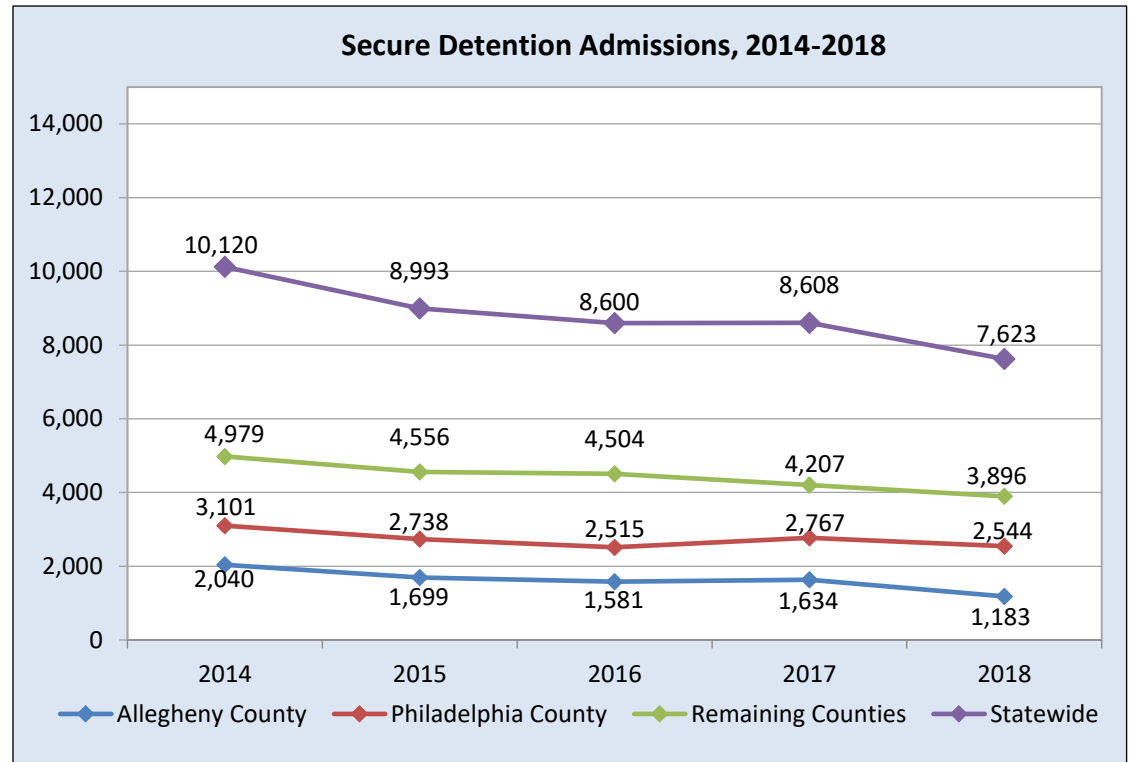

Codes Related to JCJC Standards Governing the Use of Secure Detention Under the Juvenile Act

Each month, all juvenile detention centers report a Statement of Facts and Reasons that must accompany every probation-authorized admission to secure detention. Below are the Section Codes related to this process.

<i>100 Codes</i>	Circumstances under which secure detention may be authorized on the basis of an alleged offense or on the basis of an alleged offense and the child's current status with the court or prior record.
<i>200 Codes</i>	Circumstances under which secure detention may be authorized on the basis of a child's status as an absconder or fugitive; on the basis of a child's record of failing to appear at previous juvenile proceedings; or because of extraordinary circumstances which require secure detention to prevent a child from absconding.
<i>300 Codes</i>	Circumstances under which secure detention may be authorized on the written request of the child or child's attorney.
<i>400 Codes</i>	Circumstances under which secure detention may be ordered pending disposition, subsequent to a finding that a child committed a delinquent act or is a delinquent child.
<i>500 Codes</i>	Circumstances under which secure detention may be ordered following disposition pending transfer to placement.
<i>600 Codes</i>	Circumstances under which secure detention may be authorized on the basis of the child's status, pending or subsequent to a disposition review proceeding.
<i>Code 701</i>	Circumstances under which secure detention may be authorized on the basis of extraordinary and exceptional circumstances.

Secure Detention Admissions, 2014-2018

Detention admissions have declined statewide since 2014, with a 24.7% overall decrease and an 11.4% decrease from 2017 to 2018. Allegheny County detention admissions decreased by 27.6% from 2017 to 2018, and Philadelphia County admissions decreased by 8.1% during the same time period. Overall statewide admissions, excluding Allegheny and Philadelphia, decreased by 7.4% from 2017 to 2018. Philadelphia County and Allegheny County account for 33.4% and 15.5%, respectively, of all secure detention admissions.

PERCENTAGE CHANGE OF DETENTION ADMISSIONS				
	2014-2015	2015-2016	2016-2017	2017-2018
STATEWIDE	-11.1%	-4.4%	0.1%	-11.4%
ALLEGHENY COUNTY	-16.7%	-6.9%	3.4%	-27.6%
PHILADELPHIA COUNTY	-11.7%	-8.1%	10.0%	-8.1%
REMAINING COUNTIES	-8.5%	-1.1%	-6.6%	-7.4%

Length of Stay in Secure Detention, 2018

In 2018, the statewide median length of stay in secure detention was 11 days, which is an increase of one day from 2017. The table below shows the median length of stay by county, from greatest to least number of days. Multiple counties with identical length of stay are listed alphabetically. This data, sorted by greatest to least number of admissions, can be found in Appendix 8.

COUNTY	NUMBER OF ADMISSIONS	MEDIAN LENGTH OF STAY IN DAYS
CRAWFORD	4	47.5
WYOMING	2	25.0
CARBON	2	24.0

FULTON	0	0.0
MERCER	0	0.0
POTTER	0	0.0
SOMERSET	0	0.0
SUSQUEHANNA	0	0.0
*TOTAL	7,575	11.0

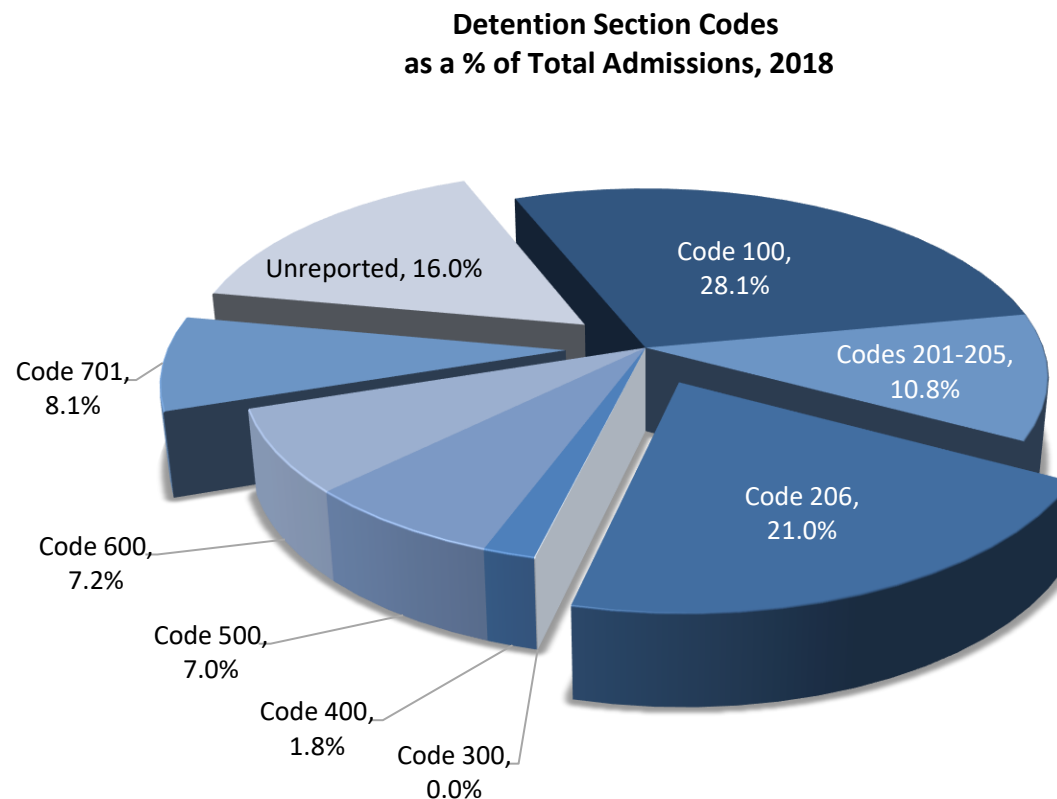

NOTE: This table only includes those admissions for which a date of release was reported.

*Includes 191 secure detention admissions to the Jefferson Detention Center in Ohio by the following counties: Beaver (23); Butler (11); Fayette (21); Greene (1); Lawrence (2); and Washington (133).

Secure Detention Admissions by Standard Section Codes, 2018

In 2018, the majority of secure detention admissions were authorized under the 100 and 200 Codes – 28.1% and 31.8%, respectively. This trend has remained constant since 2014.

Special attention is given to the utilization of Codes 206, 701, and Unreported. In instances where secure detention is authorized under Codes 206 or 701, the juvenile probation officer is required to provide a detailed written explanation of the reasons that necessitate secure detention. These codes were intended to be utilized in limited circumstances where the other codes are not applicable.

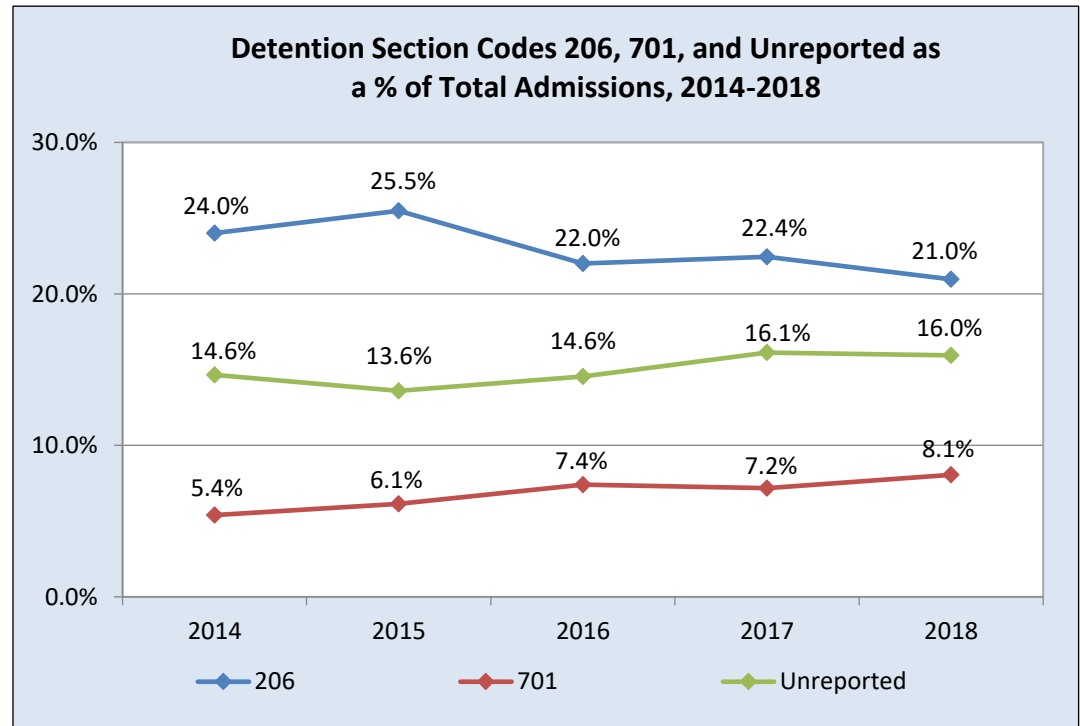

Secure Detention Admissions by Standard Section Codes, 2014-2018

The utilization of Codes 206, 701, and admissions with an Unreported code accounted for 45.1% of all secure detention admissions in 2018. The utilization of Code 206 decreased from 22.4% in 2017 to 21.0% in 2018, as did the use of Unreported codes from 16.1% in 2017 to 16.0% in 2018. The use of Code 701 increased from 7.2% in 2017 to 8.1% in 2018.

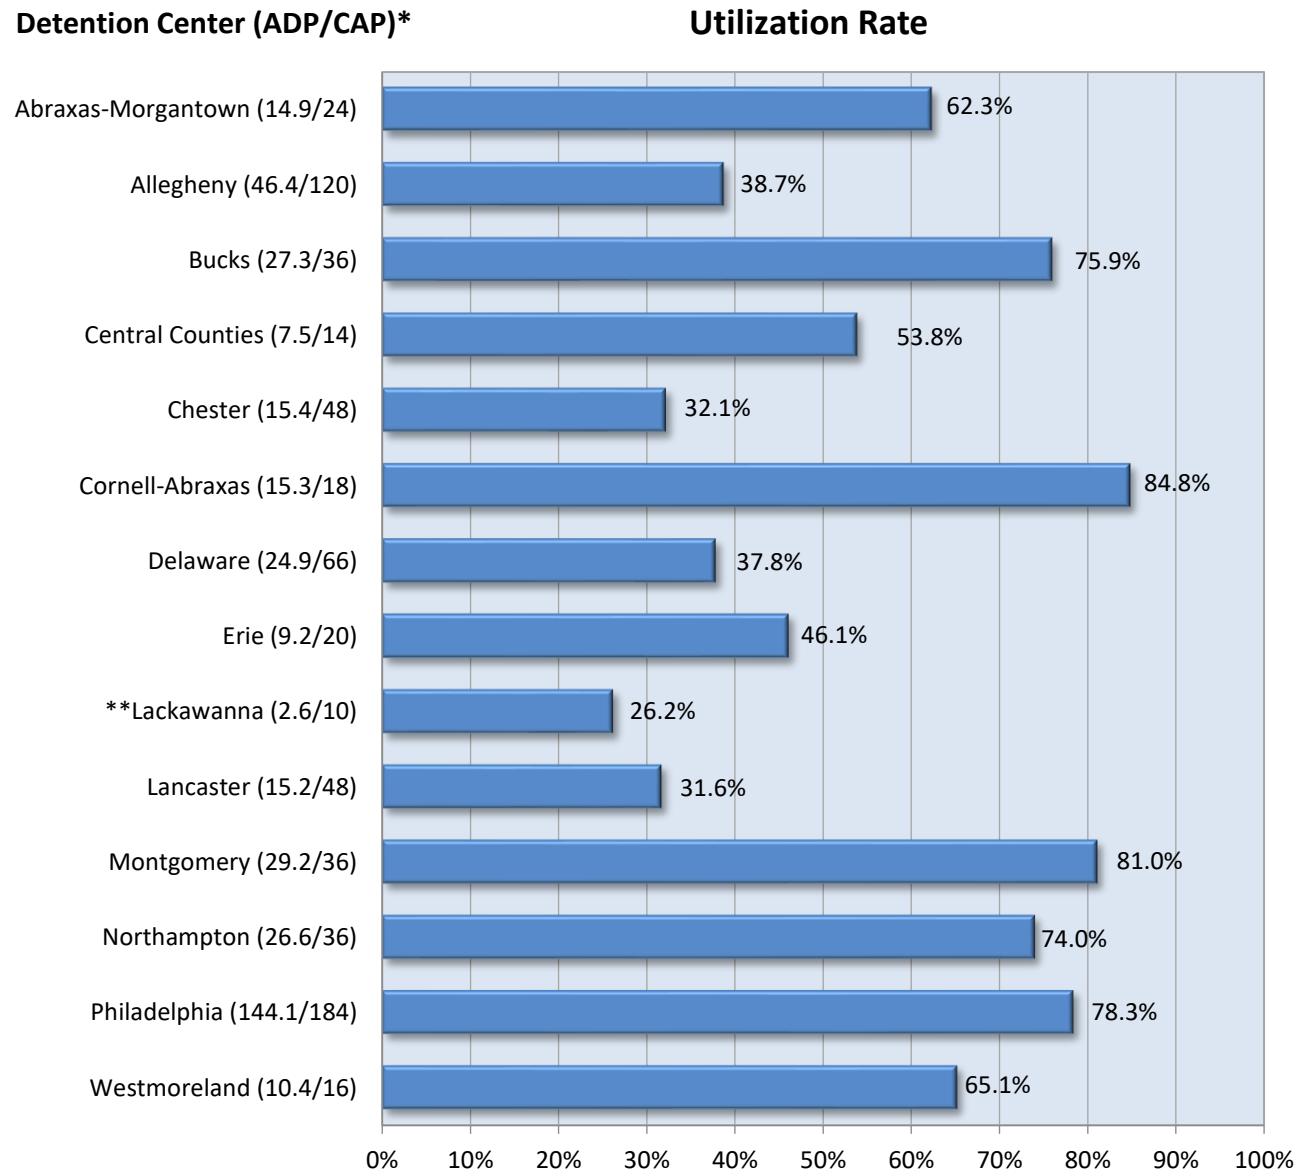

Code 206 - The child presents extraordinary circumstances requiring secure detention to prevent him/her from absconding. (Such circumstances may include, but are not limited to: the child's age, character, mental condition, ties to the community, the nature of the child's family relationships, drug or alcohol addiction, and substance abuse.)

Code 701 - Circumstances under which secure detention may be authorized on the basis of extraordinary and exceptional circumstances.

The Unreported category, as shown in this report, indicates that a code was not reported to the JCJC. Secure detention admissions that are authorized without codes are not in compliance with JCJC Standards.

Utilization Rates for Pennsylvania Juvenile Detention Centers, 2018

*A center's utilization rate is equal to its average daily population (ADP) divided by the licensed bed capacity (CAP). Average daily population (ADP) is calculated by the sum of all utilized bed days divided by the number of days in the reporting period. The licensed bed capacity may be different from the staffed bed capacity.

**This facility closed in August 2018.

Chapter 2 - Juvenile Court Processing

Section 1: Delinquency Dispositions

1. The unit of count for this section of the report is the disposition. A disposition is defined as an allegation of delinquency disposed of by the juvenile probation department and/or the court. Any one youth may be involved in a number of dispositions within a calendar year containing multiple allegations. In addition, a youth may be referred on more than one occasion and receive only one disposition. Therefore, the reader is cautioned NOT to attempt to interpret dispositions as the number of youth who are processed by the court or the number of offenses. Dispositions in this section occurred between January 1, 2018 and December 31, 2018.
2. In Pennsylvania, juvenile court jurisdiction extends over individuals who have been alleged to have committed a delinquent act, as defined by 42 Pa. C. S. § 6301 et seq., on or after their tenth birthday and prior to reaching eighteen years of age. Juvenile court supervision can extend until the individual is twenty-one years of age if the individual is currently under supervision. Age for purposes of this section was calculated from the juvenile's date of birth to the date of the offense in the written allegation.
3. Only the most serious delinquency offense is captured in the delinquency disposition data.
4. Data for this report were compiled from PaJCMS on March 20, 2019. The numbers published in this report, therefore, may not reflect current numbers within the system.
5. Dispositions of pending or deferred are not included in these statistics.
6. The unit of disposition count was modified in the 2017 report to more accurately reflect the outcomes of delinquency allegations. If two allegations were disposed of on the same date, and resulted in the same disposition, these were counted as one disposition. If two allegations were disposed of on the same date, but had two different dispositions, these were counted as two dispositions. The reader is cautioned NOT to compare this year's disposition figures to reports prior to 2017. All trend data were updated within this report using the updated disposition count logic.

Map of Pennsylvania showing the number of COVID-19 cases by county as of May 1, 2020. The map is color-coded based on the number of cases, with a legend at the bottom indicating the ranges.

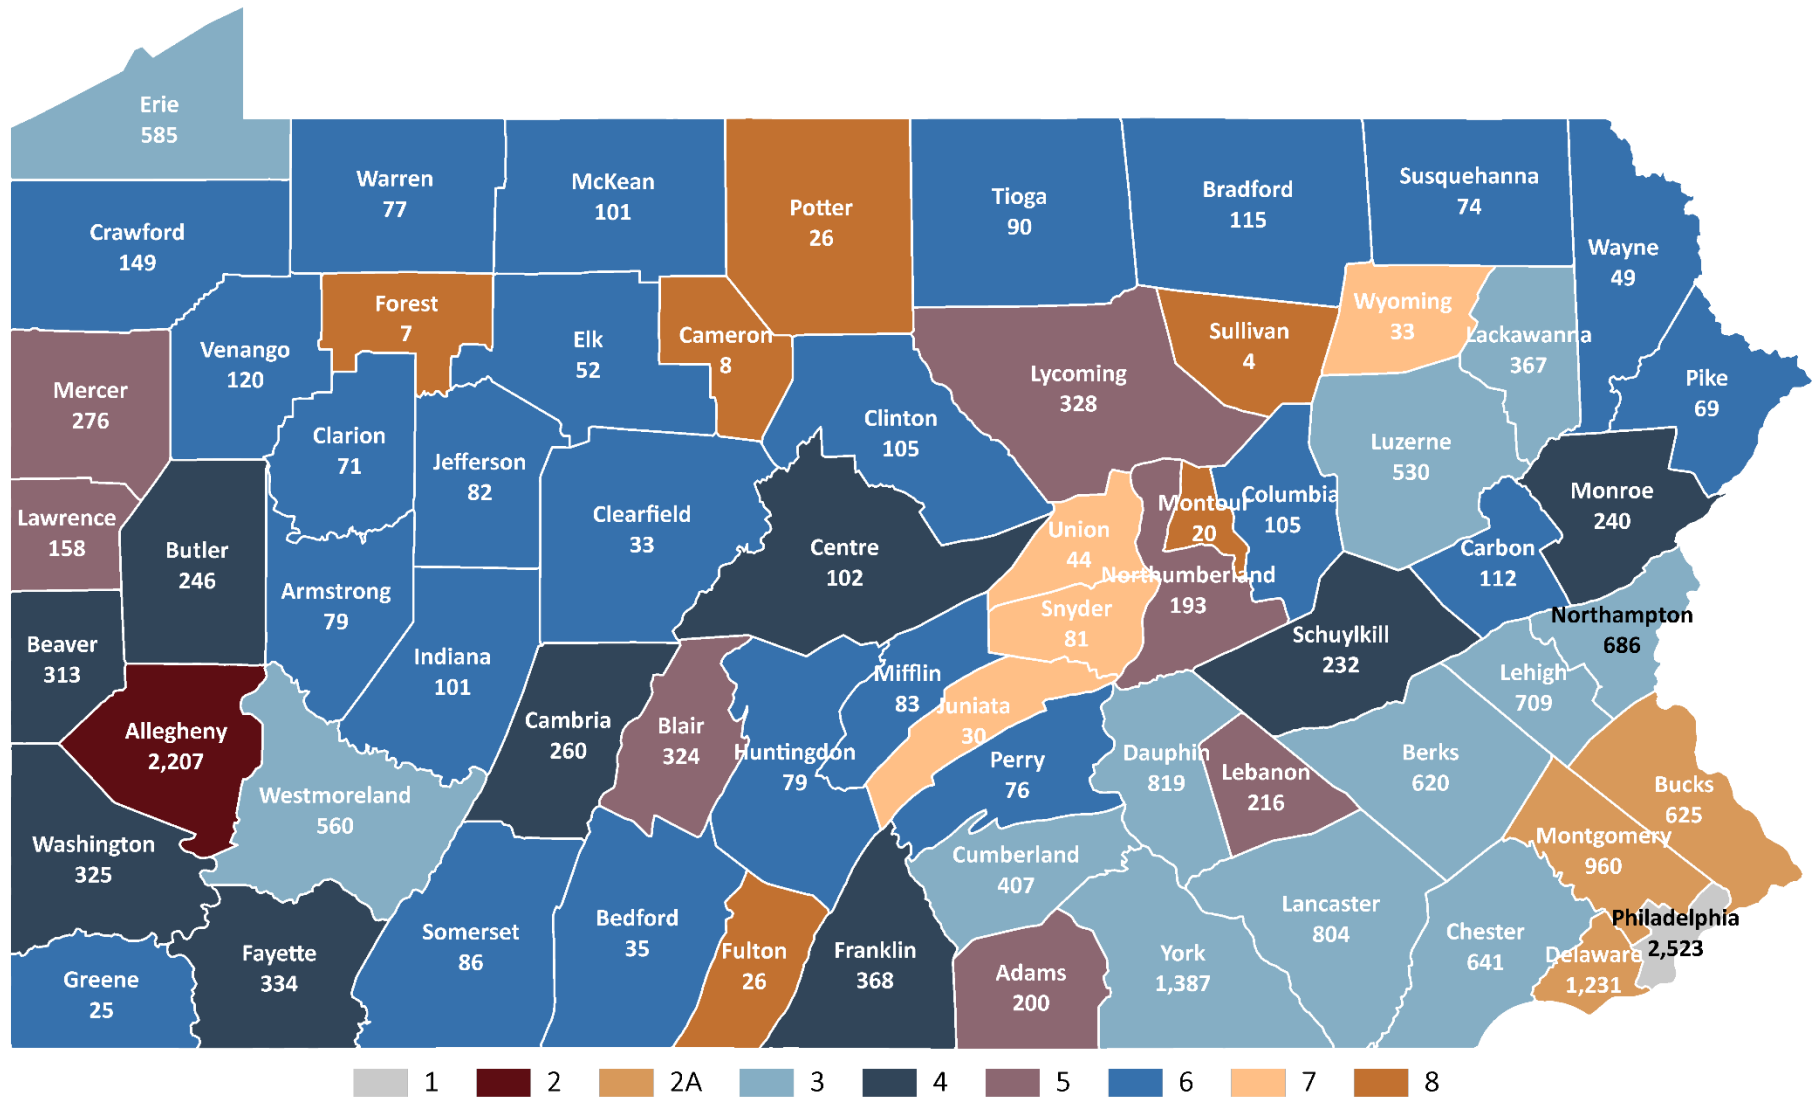

Legend (Number of Cases):

- 0 - 50
- 51 - 100
- 101 - 200

2018 Delinquency Dispositions by County Class

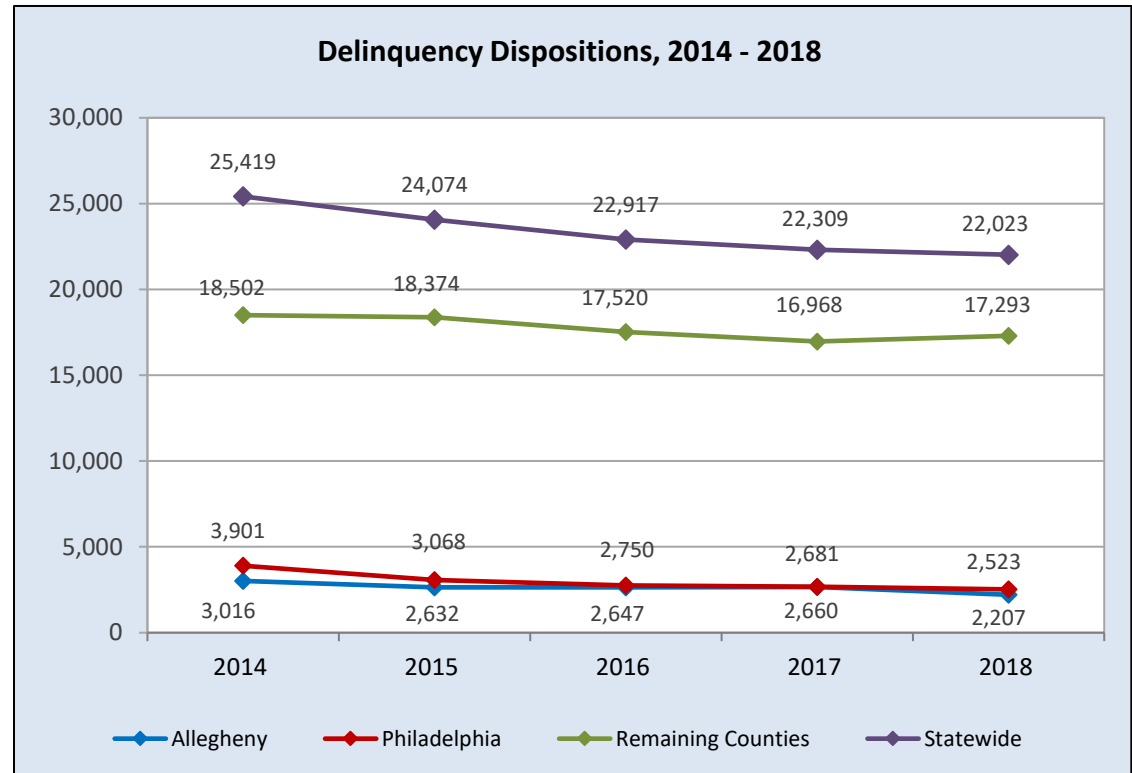

Note: 2018 County Class data retrieved from County Commissioners Association of Pennsylvania at <http://www.pacounties.org/PAsCounties/Pages/Counties-by-Class.aspx>.

Delinquency Dispositions, 2014-2018

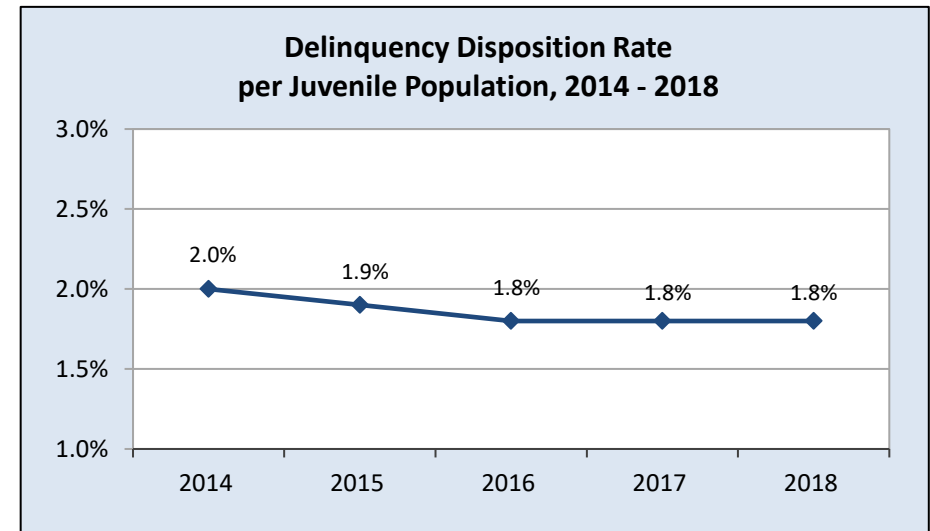

There were 22,023 delinquency dispositions in Pennsylvania during 2018. This represents a 1.3% decrease from 2017 and a 13.4% decrease since 2014. Allegheny County reported a decrease of 17.0% from 2017 to 2018, and Philadelphia County reported a 5.9% decrease for this time period. One-third of the total dispositions occurred in the four jurisdictions reporting more than 1,000 dispositions (see map on page 19). These jurisdictions include Philadelphia, Allegheny, York, and Delaware.

Note: Dispositions resulting from disposition reviews, placement reviews, and dependency referrals are not included.

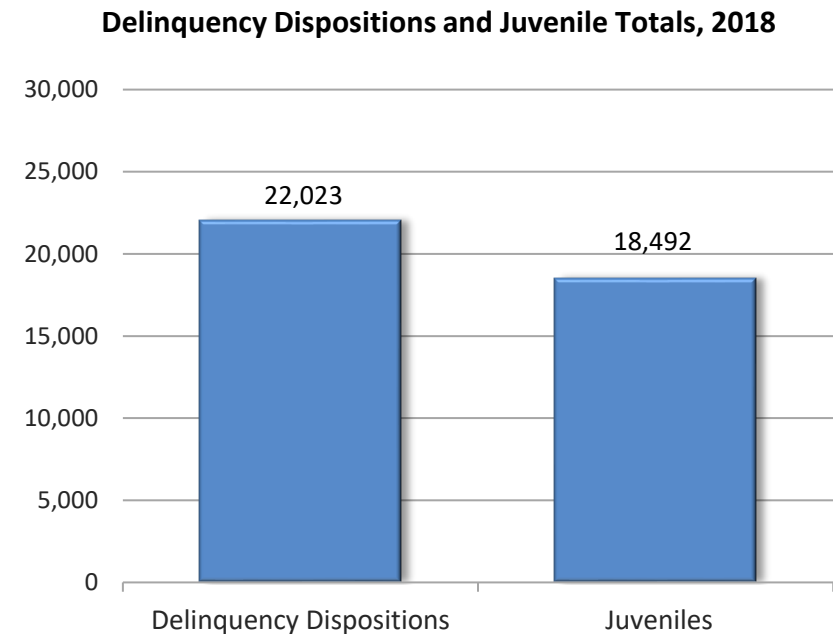

Delinquency Disposition Rate per Juvenile Population, 2014-2018

Between 2014 and 2018, the rate of juvenile delinquency dispositions as a percent of the Pennsylvania juvenile population declined by 10.0%, from 2.0% to 1.8%; however, this rate has remained constant the past 3 years.

Delinquency Dispositions and Juvenile Totals, 2018

There were 18,492 juveniles accounting for 22,023 delinquency dispositions in Pennsylvania in 2018. This equates to an average of 1.19 delinquency dispositions per alleged delinquent juvenile. Similarly, the range of delinquency dispositions to alleged delinquent juveniles in 2018 was 1.0 to 1.38 (see Appendix 14).

Frequencies of Statewide Delinquency Dispositions, 2018

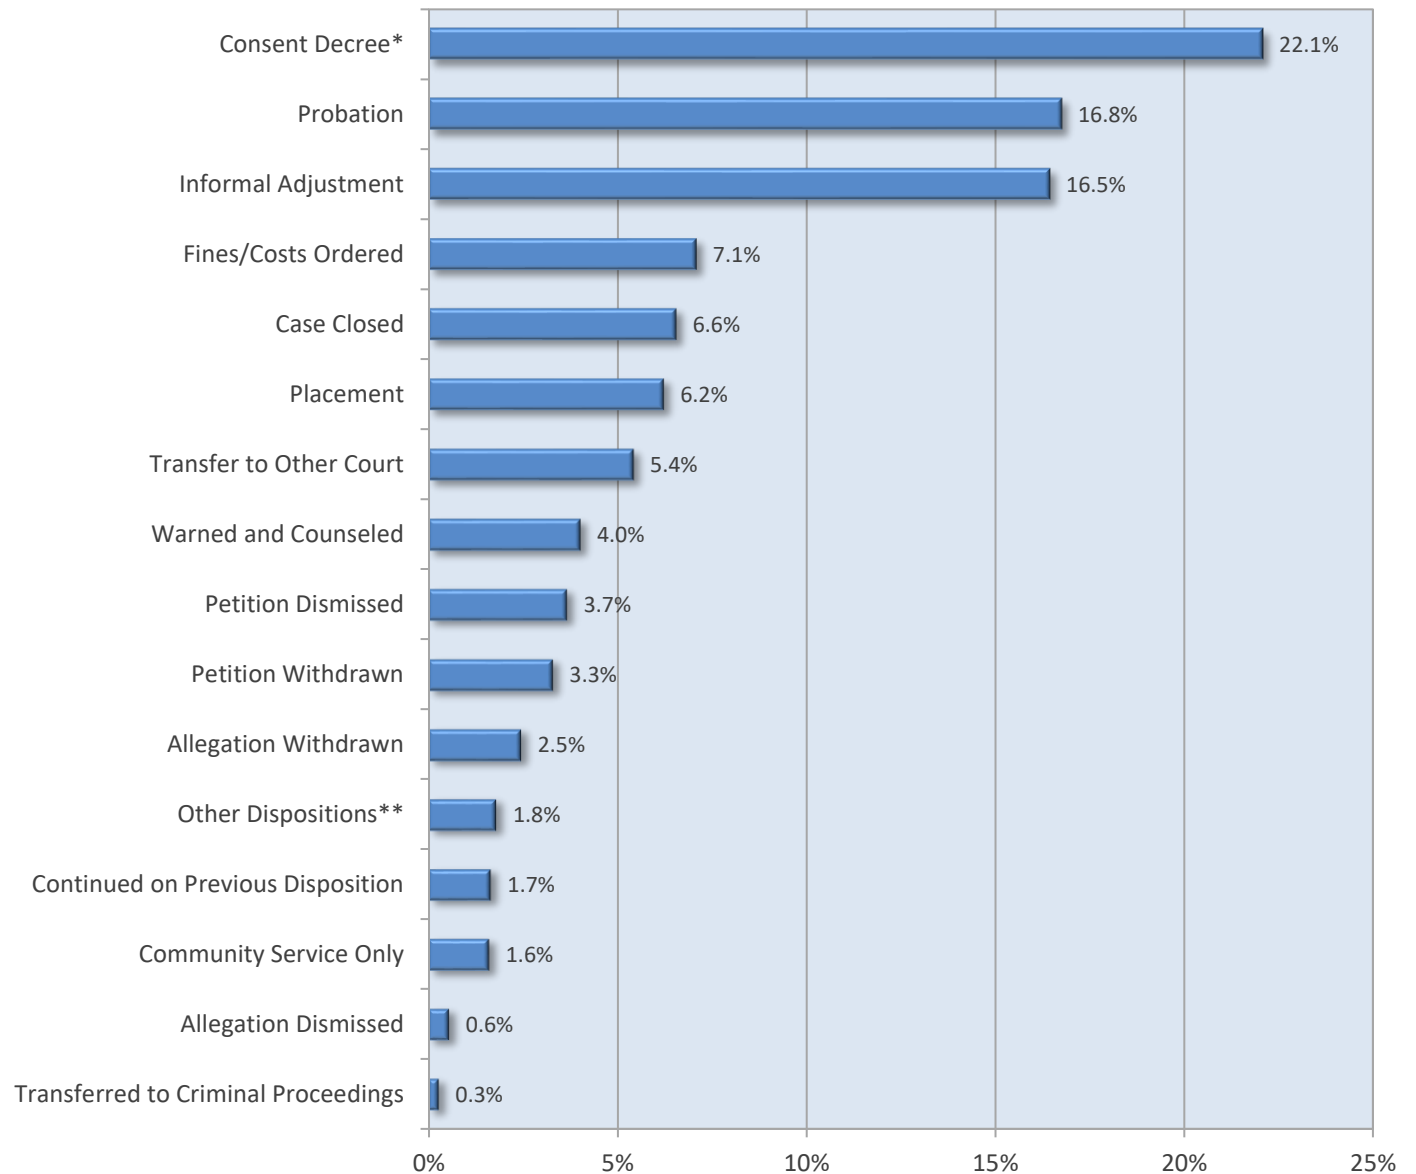

Dispositions of Consent Decree, Probation, and Informal Adjustment continued to represent over half (55.4%) of all dispositions.

Note: Does not include disposition reviews and placement reviews.

*The following counties had a total of 1,095 cases where the disposition was reported as deferred adjudication with no reported adjudication of delinquency at the time of disposition. These dispositions have been included in the disposition of Consent Decree. (Adams-1, Armstrong-1, Bucks-36, Butler-5, Centre-13, Chester-12, Clarion-1, Clinton-2, Crawford-8, Cumberland-1, Delaware-2, Franklin-52, Fulton-4, Huntingdon-2, Lackawanna-5, Lebanon-1, Luzerne-64, Lycoming-76, McKean-2, Mercer-10, Montgomery-3, Montour-1, Northumberland-4, Philadelphia-740, Tioga-3, Venango-3, Warren-1, Washington-1, Wayne-12, and York-29).

**The "Other Dispositions" category includes dispositions of Accepted Courtesy Supervision, Referred to Other Agency/Individual, Restitution Only Ordered, Administrative Supervision Only/Collections, Other, and Protective Supervision.

Frequencies of Statewide Delinquency Dispositions, 2018

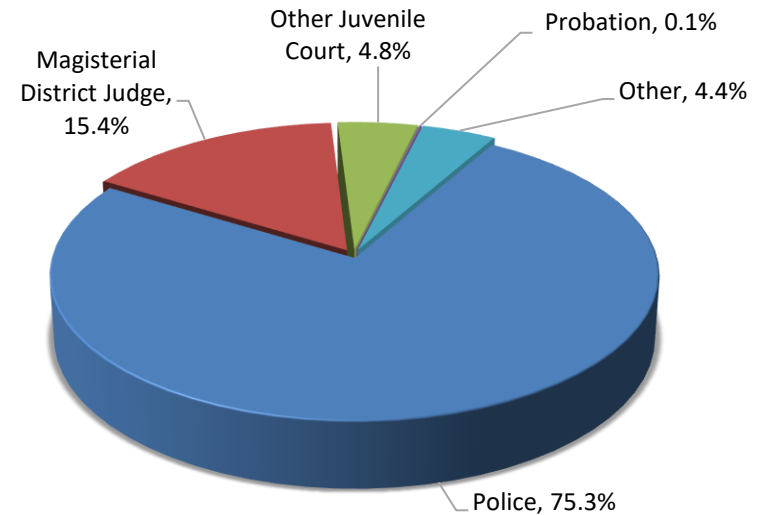

Delinquency Dispositions by Source of Allegation, 2018

Police and Magisterial District Judges continued to be the primary sources of delinquency allegations – 75.3% and 15.4%, respectively.

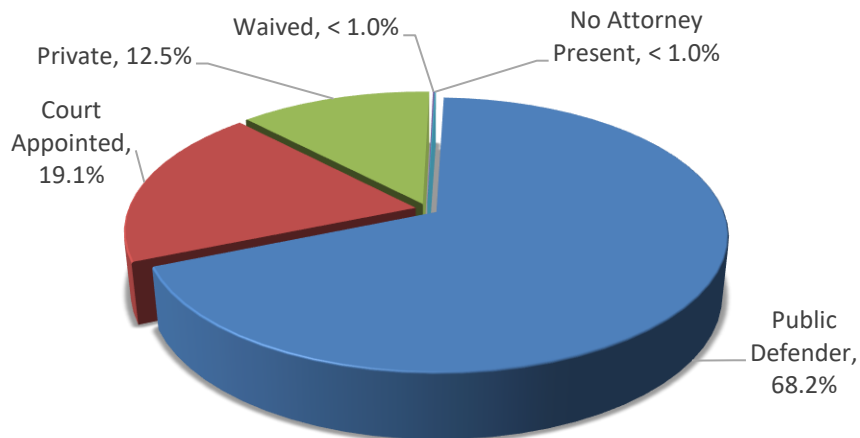

Note: The category of “Other” includes delinquency allegations received from schools, social agencies, relatives, and cases transferred from criminal court.

Delinquency Dispositions by Source of Allegation, 2018

Attorney Representation in Formal Delinquency Proceedings, 2018

Attorney Representation in Formal Delinquency Proceedings, 2018

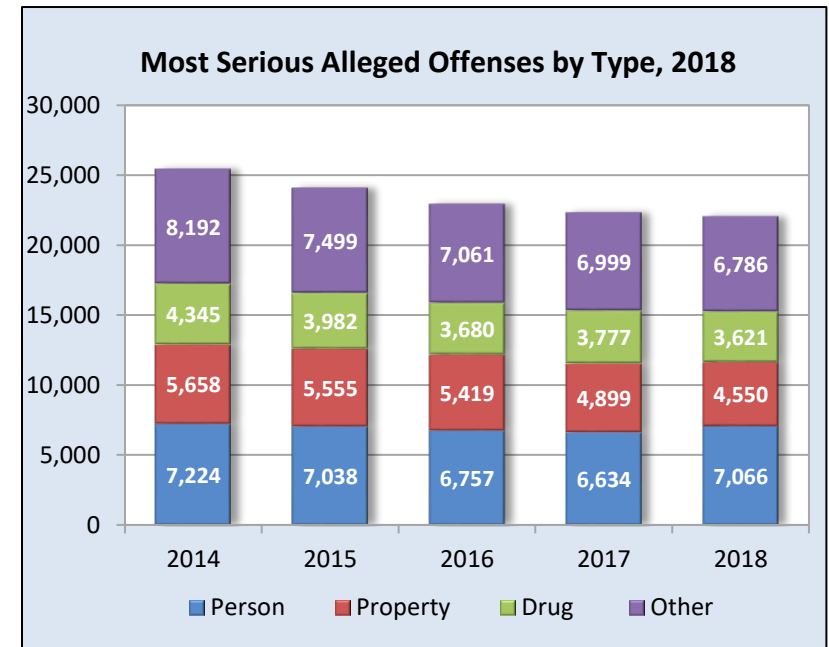

Legal representation provided by Public Defenders continued to be the most common form of representation in delinquency proceedings (68.2% in 2018). Legal representation was provided by Court Appointed or Private Counsel in 31.6% of delinquency proceedings. (*An entry of “Court Appointed” includes cases where counsel other than the public defender was appointed by the court.*) Delinquency proceedings were conducted without defense counsel (waived or not present) in less than 1% of all delinquency proceedings.

Most Serious Alleged Offenses by Type, 2018

The following information was compiled based on the most serious alleged offense for each juvenile delinquency disposition in Pennsylvania between 2014 and 2018. Only one offense per delinquency disposition is counted in the figures. As mentioned previously, the total number of dispositions decreased by 13.4% from 2014 to 2018, and by 1.3% from 2017 to 2018. The number of alleged offenses within the Property offense category has shown the largest decrease (7.1%) from 2017 to 2018, followed by Drug offenses (4.1%), and “Other” offenses (3.0%). Person offenses increased by 6.5% for this time period.

Since 2014, Property offenses have shown the sharpest decline (19.6%). “Other” and Drug offenses have also declined considerably, 17.2% and 16.7%, respectively. Person offenses decreased 2.2% over this five-year time period.

Note: The “Other” offenses category includes, but is not limited to: Public Order offenses such as Disorderly Conduct or Weapon on School Property; Firearms Offenses; and Certifications from the minor judiciary that a juvenile failed to comply with a lawful sentence imposed for a summary offense.

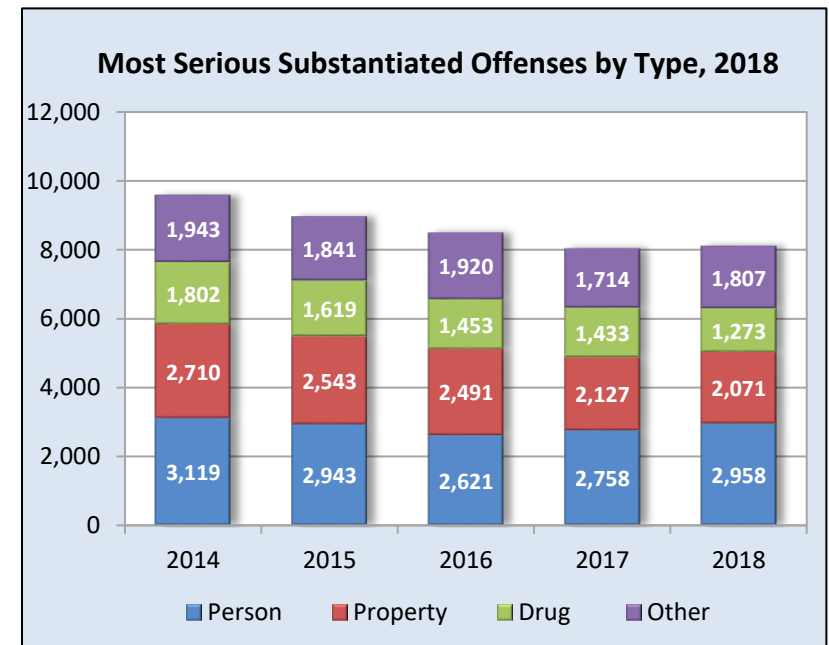

Most Serious Substantiated Offenses by Type, 2018*

Consistent with the decrease in total numbers of dispositions, the number of substantiated offenses also declined in this time period. From 2017 to 2018, the largest decrease occurred in the Drug offense category (11.2%), followed by Property offenses (2.6%). Person and “Other” offenses, however, increased by 7.3% and 5.4%, respectively.

The total number of substantiated offenses in 2018 remains well below 2014 levels. Similarly, each category of substantiated offenses (Person, Property, Drugs, and “Other”) remained below their respective 2014 levels.

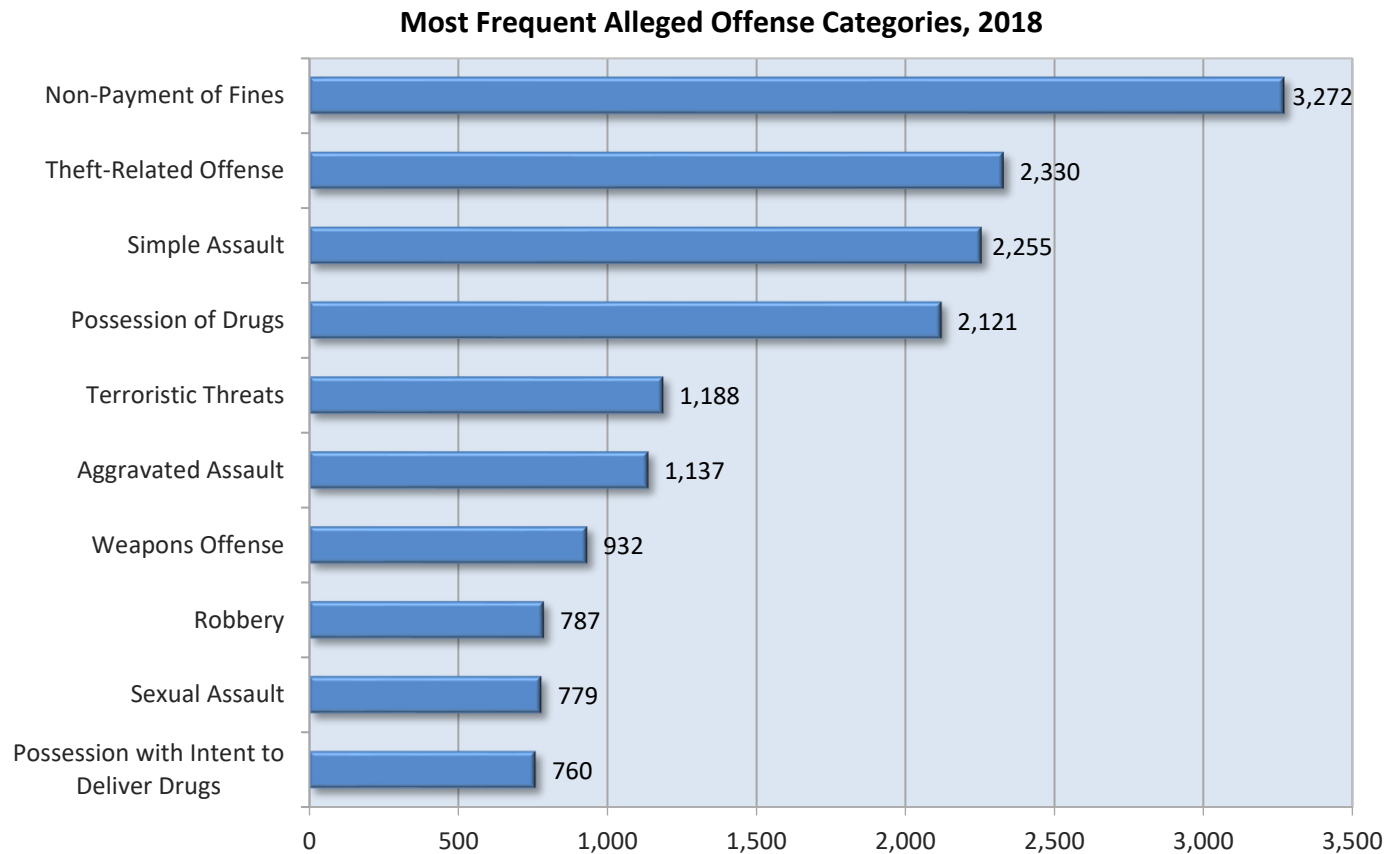

*A substantiated offense is any petitioned offense the court finds the juvenile committed.

Most Frequent Alleged Offense Categories, 2018

The chart below shows the most frequent alleged offense categories for 2018. Only the most serious charge per disposition is depicted, with the chart showing the top ten offense categories. Non-payment of fines was the most frequent charge with 14.9%, followed by theft-related offenses (10.6%), simple assault (10.2%), possession of drugs (9.6%), and terroristic threats (5.4%).

Note: Theft-related offenses include: theft, theft by unlawful taking, theft by deception, theft by extortion, theft by receiving stolen property, theft of services, and theft from a motor vehicle. Weapons offenses include: Firearm-related offenses, possession of an instrument of crime, and possession of weapon on school property.

Section 2: Demographics

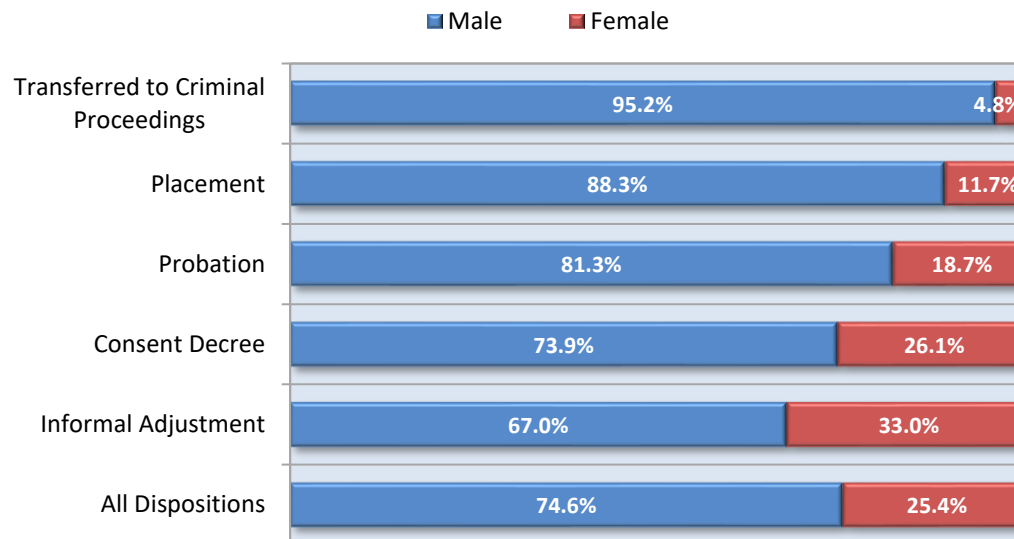

Selected Dispositions by Gender, 2018

Juvenile court dispositions in Pennsylvania continue to primarily involve males. As reflected in the charts below, the proportion of males receiving delinquency dispositions related to new allegations increases as the disposition type becomes more restrictive.

Note: The data do not include dispositions resulting from disposition review and placement review hearings.

SELECTED DISPOSITIONS	TOTAL	MALE	FEMALE
Transferred to Criminal Proceedings	62	95.2%	4.8%
Placement	1,373	88.3%	11.7%
Probation	3,692	81.3%	18.7%
Consent Decree	4,865	73.9%	26.1%
Informal Adjustment	3,623	67.0%	33.0%
All Dispositions	22,023	74.6%	25.4%

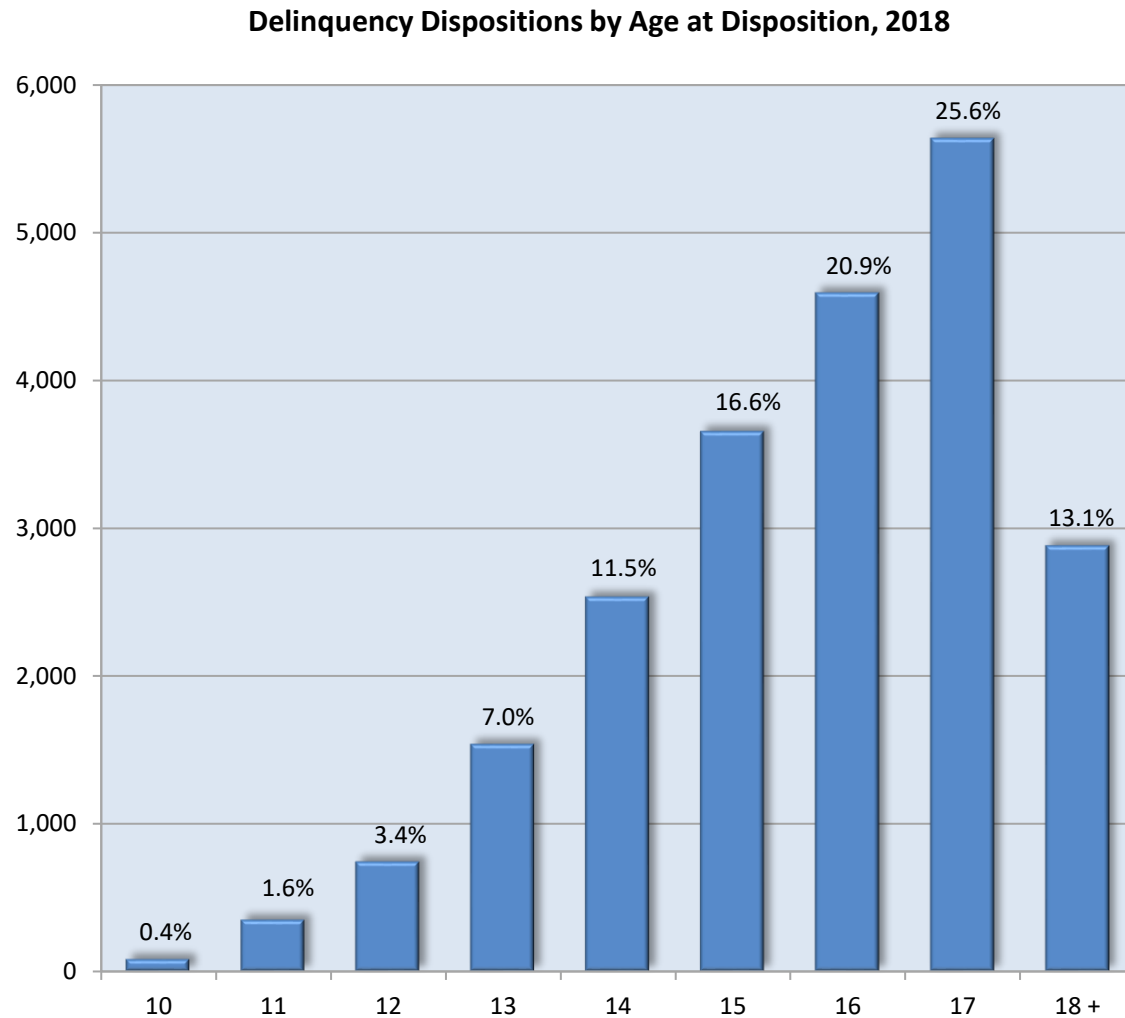

Selected Dispositions by Gender, 2018

Delinquency Dispositions by Age at Disposition, 2018

Seventeen-year-olds accounted for 5,639 (25.6%) of all juvenile delinquency dispositions in 2018, representing the most dispositions for any age group. Juveniles aged 16 accounted for 4,593 (20.9%), while 15-year-olds accounted for 3,656 (16.6%) of the dispositions.

Note: The data do not include dispositions resulting from disposition review and placement review hearings.

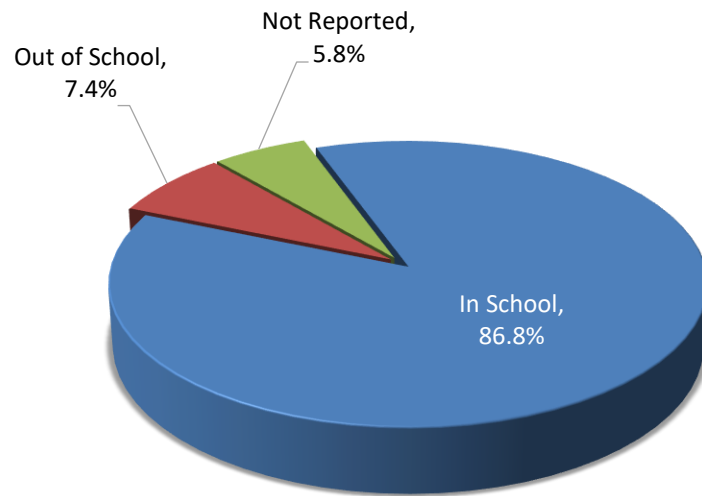

Delinquency Dispositions by Educational Status, 2018

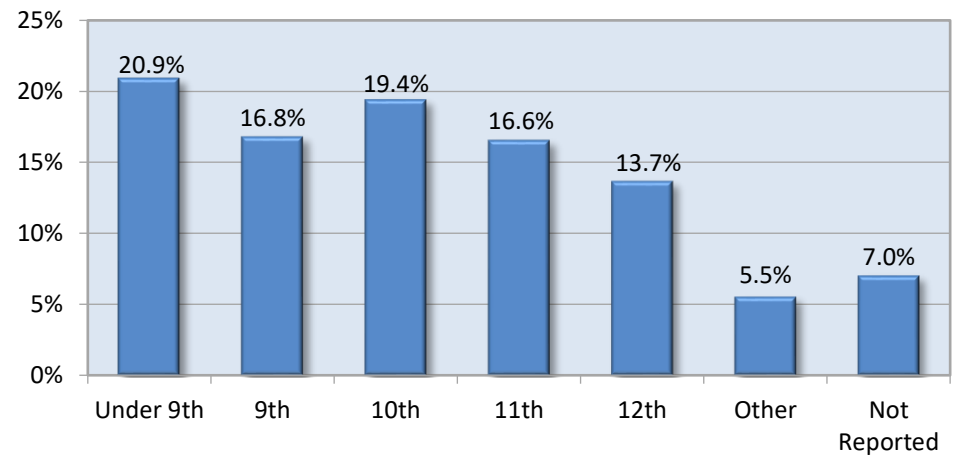

The vast majority (86.8%) of delinquency dispositions in 2018 reflected youth who were reported as In School at the time of disposition. Seventy-two percent of youth were reported as having completed grades 9, 10, 11, 12, or “Other.”

Note: The data do not include dispositions resulting from disposition review and placement review hearings.

Delinquency Dispositions by School Status, 2018

Delinquency Dispositions by Highest Grade Completed, 2018

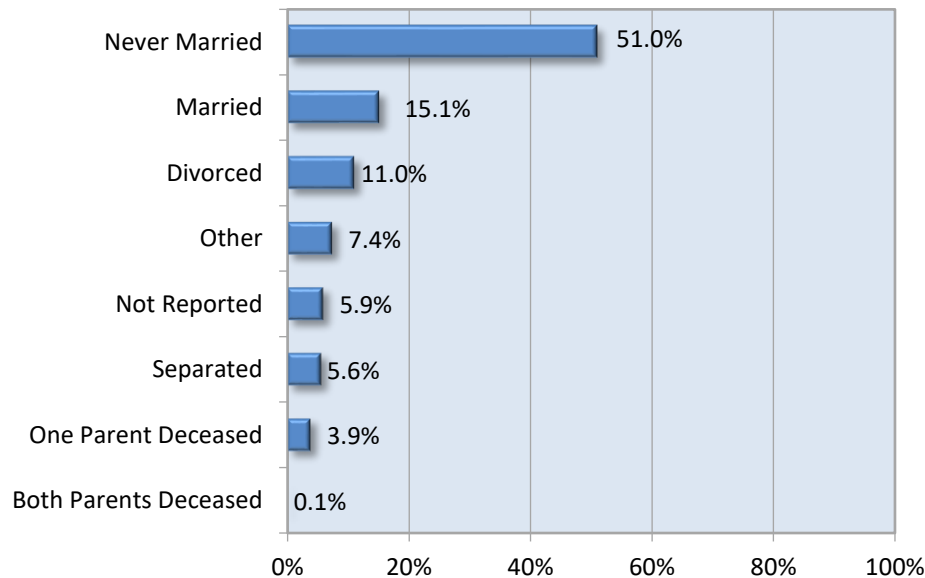

Delinquency Dispositions by Family Status, 2018

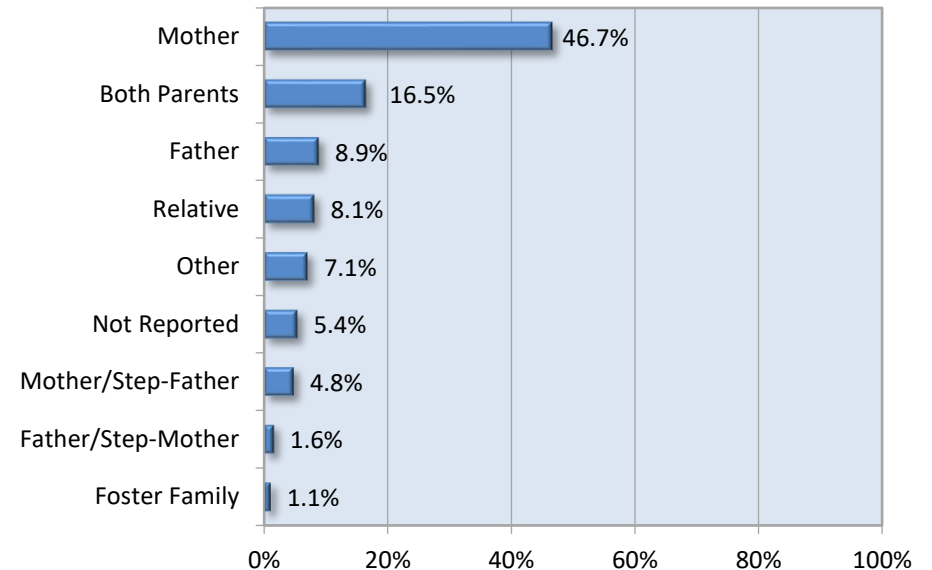

In juvenile delinquency dispositions, youth whose parents were reported as never married represented the largest group – greater than 50%. In only 15.1% of cases, the parents were reported as married at the time of disposition. The majority of youth (46.7%) resided only with their mother, while only 16.5% of juveniles resided with both parents.

Note: The data do not include dispositions resulting from disposition review and placement review hearings.

Delinquency Dispositions by Family Status, 2018

Delinquency Dispositions by Living Arrangement of Youth, 2018

Section 3: Race and Ethnicity

On the following pages, data on race and ethnicity trends related to juvenile court dispositions are provided. A few points of clarification regarding the reading and interpretation of this data should be noted.

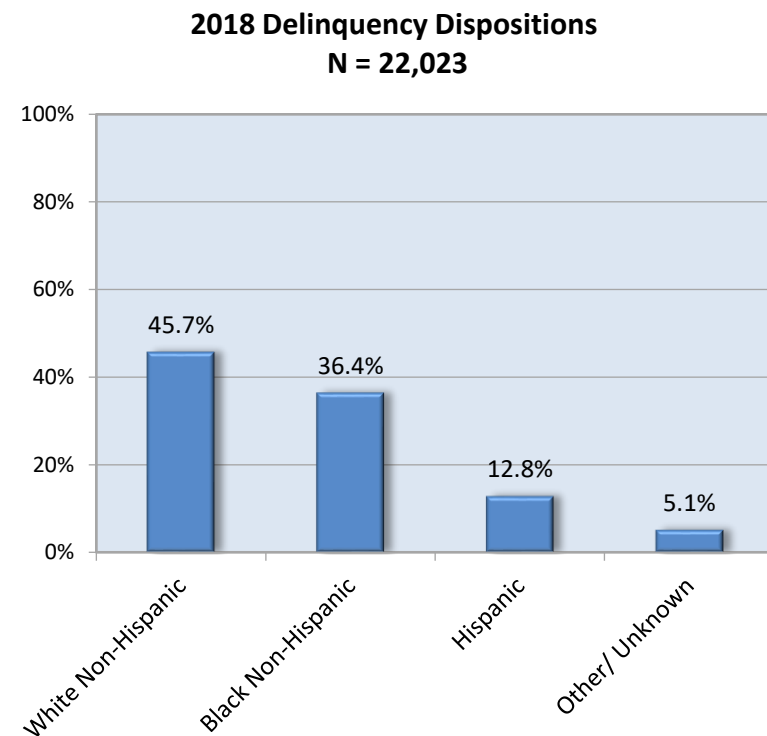

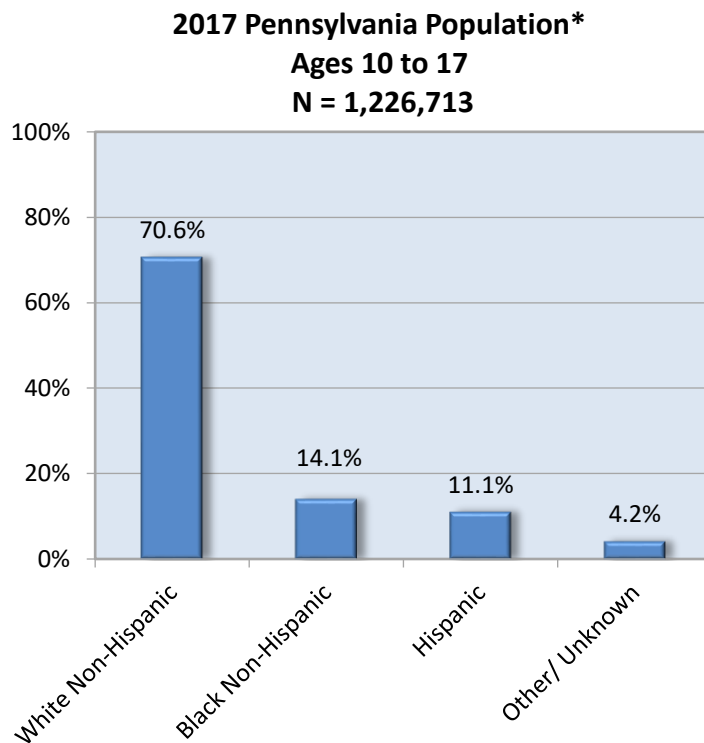

The Juvenile Court Judges’ Commission’s Center for Juvenile Justice Training and Research collects data on race and ethnicity from each of Pennsylvania’s 67 counties. The collection of this data is done in concert with the protocols outlined in *Guidelines for Collecting & Recording the Race and Ethnicity of Juveniles in Conjunction with Juvenile Delinquency Disposition Reporting to the Juvenile Court Judges’ Commission* (National Center for Juvenile Justice, 2006). As such, race and ethnicity are collected and recorded as two separate and distinct sets of data.

Trends related to both race and ethnicity are presented within the following charts, graphs, and tables. References to racial or ethnic groups are defined as follows:

White Non-Hispanic	reported as Non-Hispanic for ethnicity and White for race
Black Non-Hispanic	reported as Non-Hispanic for ethnicity and Black for race
Hispanic	reported as Hispanic for ethnicity regardless of reported race
Other and Unknown	reported as Non-Hispanic for ethnicity and one of the following races: Asian, Pacific Islander, Native Hawaiian, Native Alaskan, Native American or Multi-Racial; or race and ethnicity was reported as unknown

Total Delinquency Dispositions by Race and Ethnicity, 2018

In 2018, White Non-Hispanic youth represented the largest racial/ethnic category for all delinquency dispositions. However, in comparison to the racial/ethnic distribution of all youth in Pennsylvania ages 10-17, the representation of Black Non-Hispanic youth is disproportionate: 14.1% of the total population versus 36.4% of all delinquency dispositions. When excluding Philadelphia County and Allegheny County, Black Non-Hispanic youth represent 8.2% of the youth population, but 27.1% of all delinquency dispositions. Please see Appendix 25 for the number of delinquency dispositions by race and ethnicity for each county.

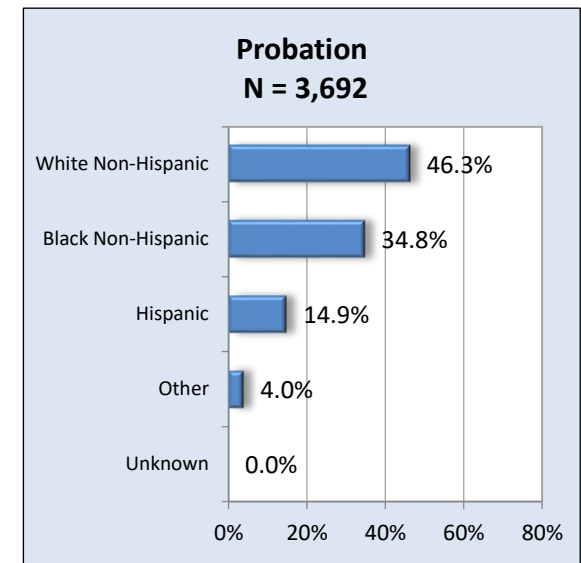

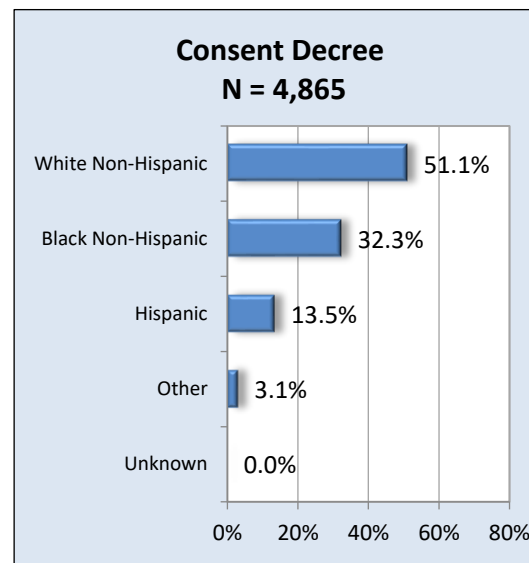

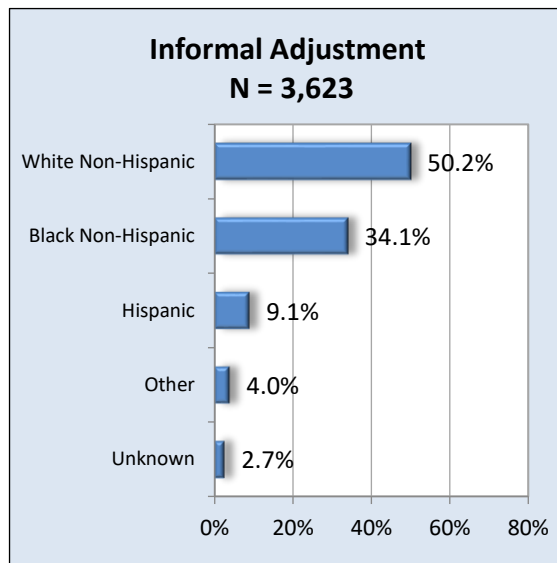

*At the time of publication of the Pennsylvania 2018 Juvenile Court Annual Report, the 2018 Population Estimates had not yet been published. We have included the 2017 Population Estimates in the chart above. 2017 Population Estimates retrieved from The Centers for Disease Control available online at: <http://wonder.cdc.gov/bridged-race-population.html>.

Selected Delinquency Dispositions by Race and Ethnicity, 2018

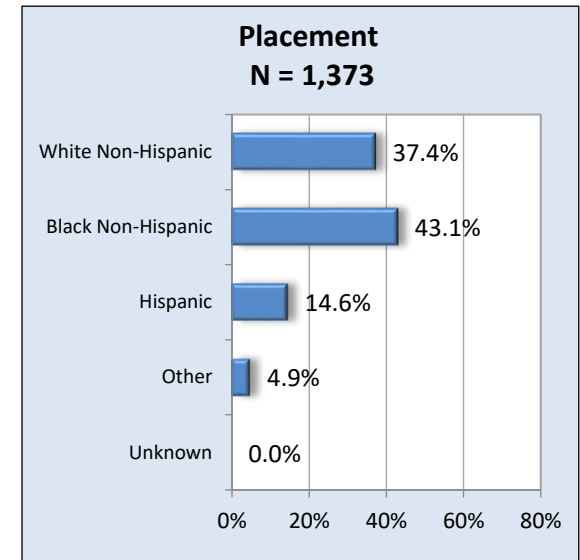

The following charts show the distribution of various dispositions by race and ethnicity.

For delinquency dispositions that did not result in an out-of-home placement (Informal Adjustment, Consent Decree, and Probation), Black Non-Hispanic youth comprised a smaller proportion of cases, while White Non-Hispanic youth comprised a larger proportion of cases than what is reflected in all delinquency dispositions.

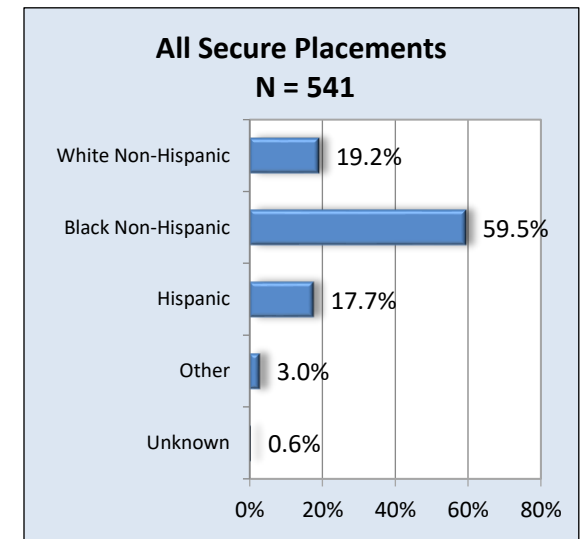

Selected Delinquency Dispositions by Race and Ethnicity, 2018 (continued)

For dispositions that resulted in an out-of-home placement (not including disposition reviews and placement reviews), the proportion of both Hispanic (14.6%) and Black Non-Hispanic (43.1%) youth exceeded their representation in the total number of delinquency dispositions (12.8% and 36.4%, respectively).

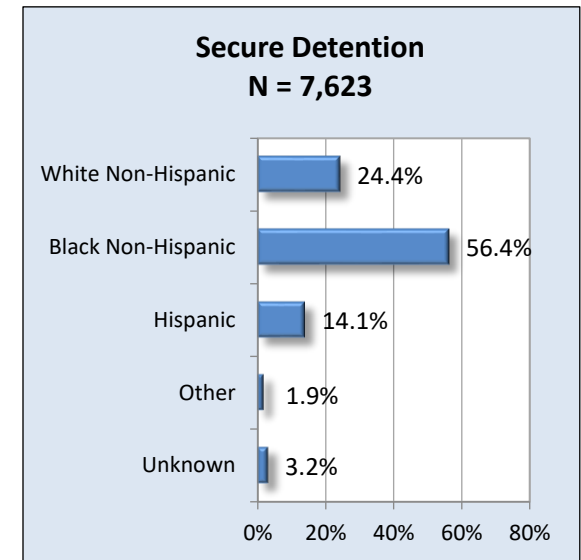

Additionally, the representation of Black Non-Hispanic youth (59.5%) within secure placement settings was disproportionate to the percentage of Black Non-Hispanic youth in all placement dispositions (43.1%).

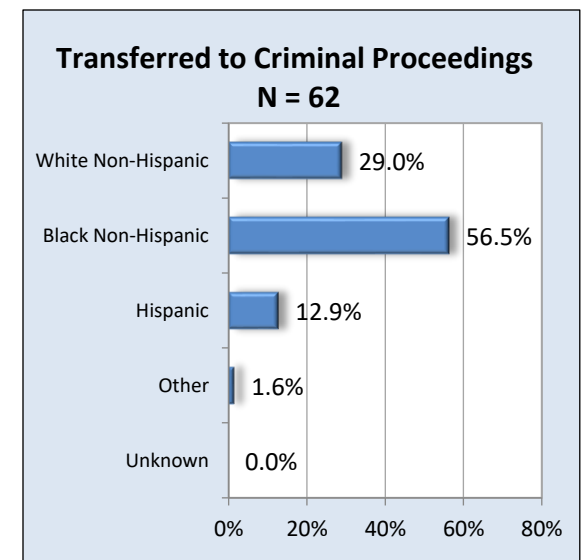

Secure Detention by Race and Ethnicity, 2018

Black Non-Hispanic youth comprised 56.4% of all secure detention admissions in 2018. When excluding Philadelphia and Allegheny Counties, Hispanic youth and Black Non-Hispanic youth represent approximately 16.5% and 40.0%, respectively, of all secure detention admissions. In Philadelphia County, 76.1% of secure detention admissions involved Black Non-Hispanic youth. In Allegheny County, 68.2% of secure detention admissions involved Black Non-Hispanic youth. See Appendix 26 for the number of secure detention admissions by race and ethnicity for each county.

Transferred to Criminal Proceedings by Race and Ethnicity, 2018

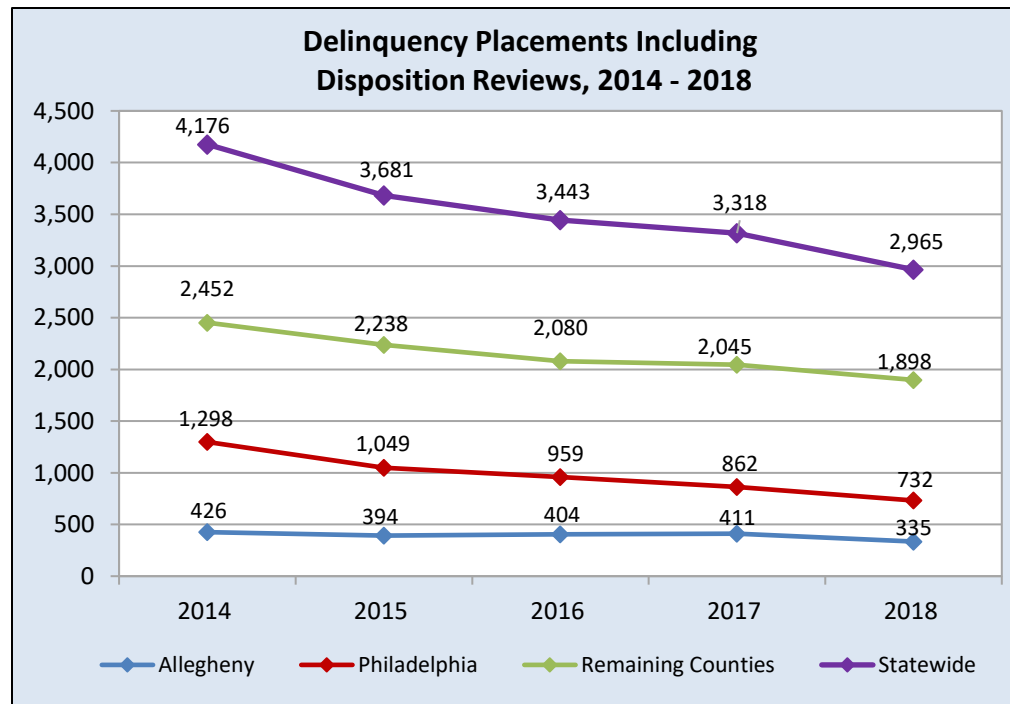

White Non-Hispanic youth comprised a smaller proportion of cases transferred to criminal proceedings (29.0%) compared to the 45.7% represented in all delinquency dispositions statewide. Black Non-Hispanic youth comprised a greater proportion of cases transferred to criminal proceedings (56.5%) than what is reflected in all delinquency dispositions (36.4%).

Section 4: Delinquency Placements

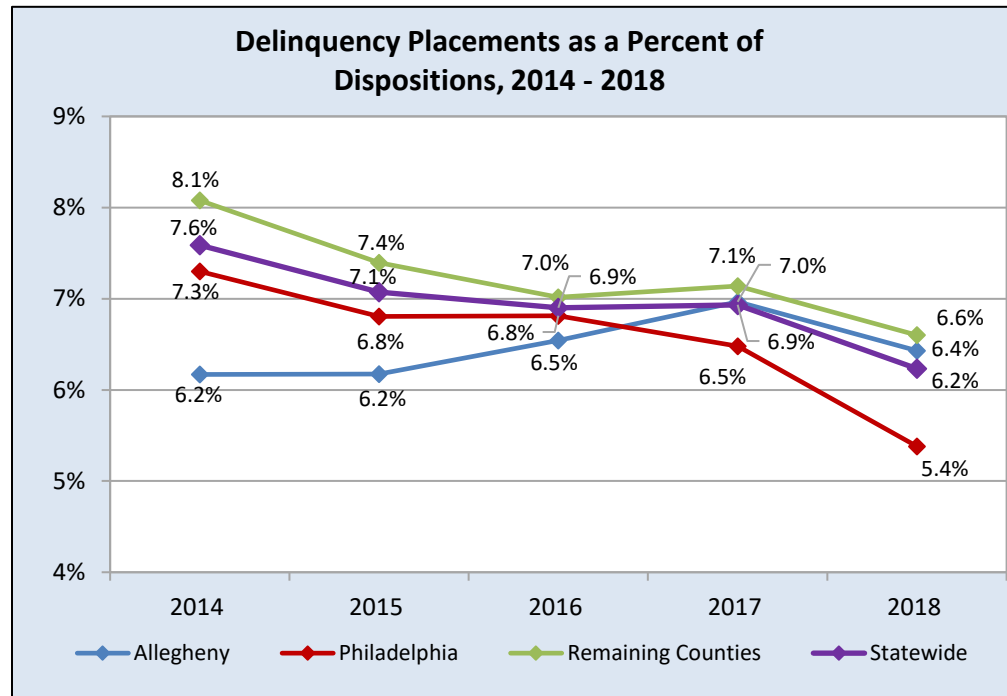

Delinquency Placements Including Disposition Reviews, 2014-2018

Delinquency placements have declined each year since 2014, with an overall decrease of 29.0% statewide. Delinquency placements in Allegheny County decreased 18.5%, while placements in Philadelphia County decreased 15.1% from 2017 to 2018. Placements in all remaining counties decreased each year since 2014, representing a combined decrease of 22.6% in these jurisdictions.

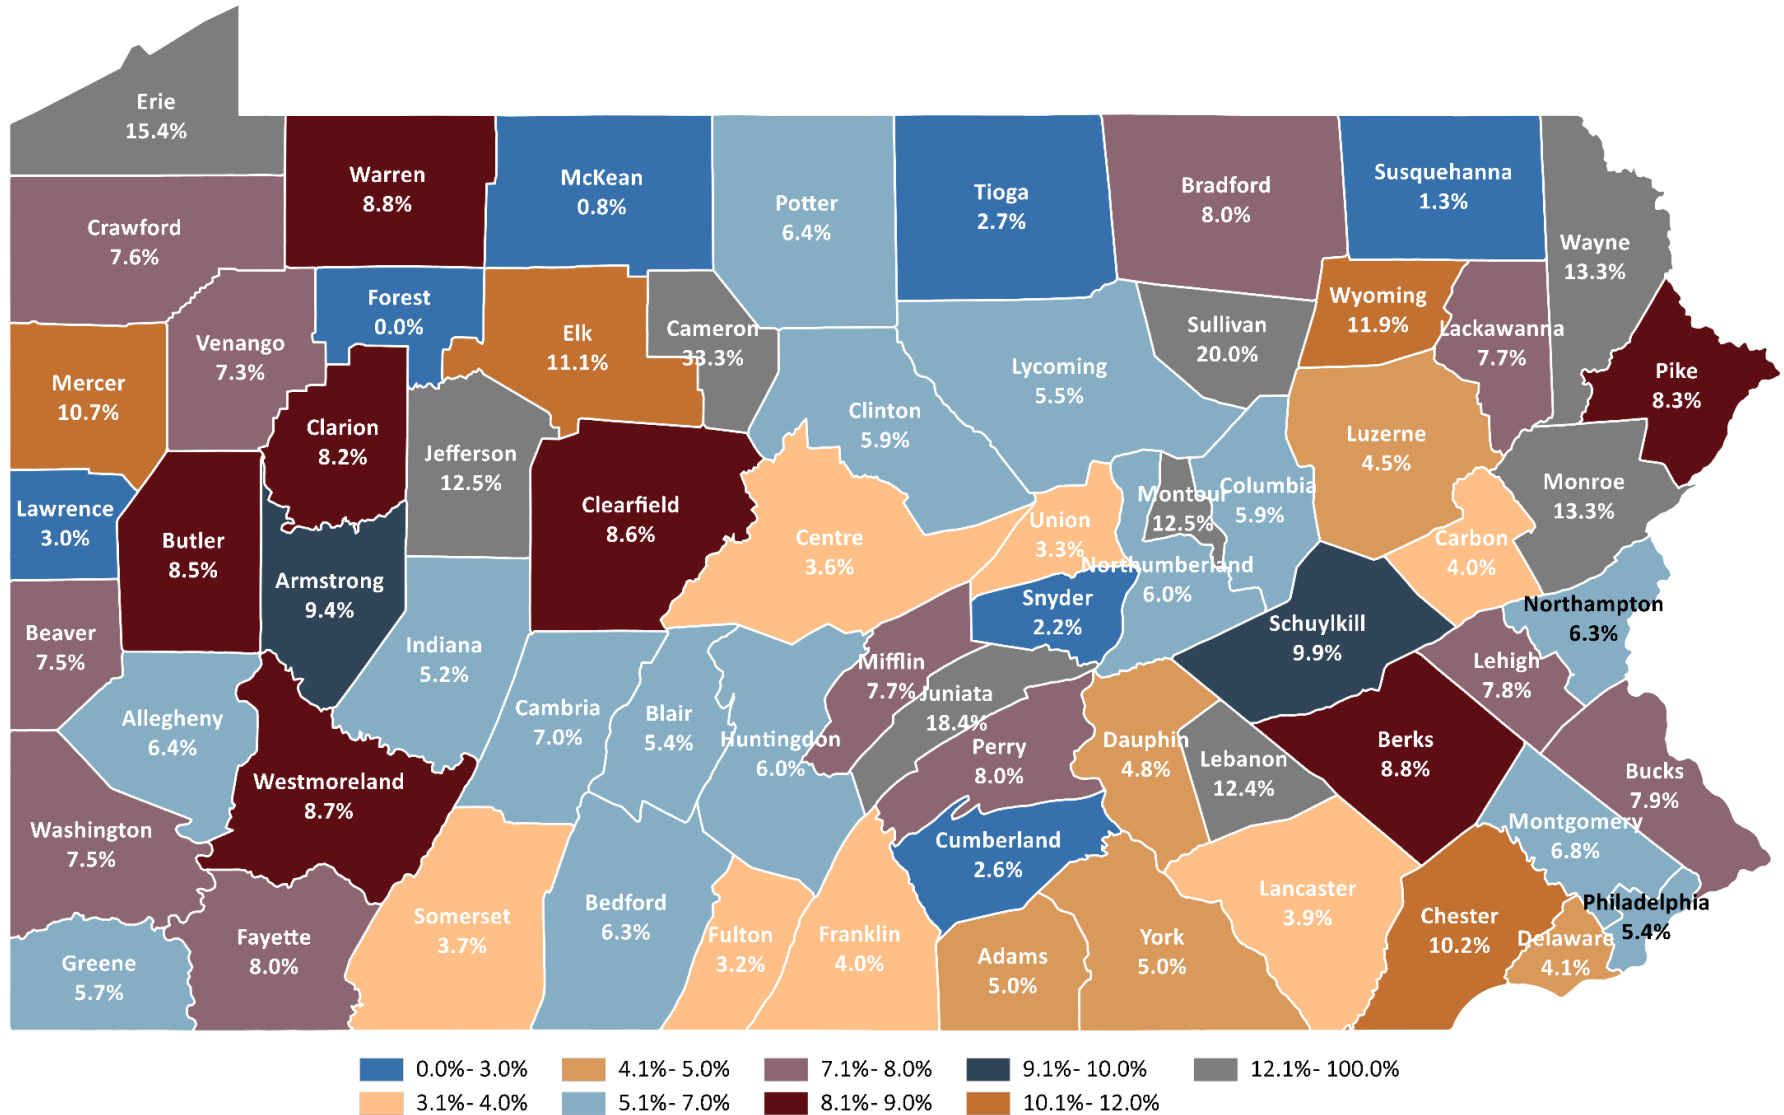

Delinquency Placements as a Percent of Dispositions, 2014-2018

Delinquency placements as a percentage of total dispositions, including disposition reviews, decreased from 6.9% to 6.2% from 2017 to 2018. Philadelphia County placements as a percentage of total dispositions decreased from 6.5% in 2017 to 5.4% in 2018. Allegheny County placements decreased from 7.0% in 2017 to 6.4% in 2018. In all counties other than Allegheny and Philadelphia, the percentage decreased from 7.1% in 2017 to 6.6% in 2018.

2018 Delinquency Placements as a Percent of Dispositions Including Disposition Reviews

New Allegation Placements vs. Disposition Review Placements, 2018

The following chart depicts the relative percentage of placements that resulted from new allegations versus disposition review proceedings. A disposition review is a hearing conducted by the court regarding a previous disposition which did not result in out-of-home placement.

The percentage of placements resulting from both new allegations and disposition reviews is shown for each county by county class.

Over half of delinquency placements statewide (53.7%) were ordered as a result of a disposition review. This figure, however, was notably influenced by Philadelphia, which accounted for 24.7% of all delinquency placements statewide, and where 74.0% of all delinquency placements were ordered as a result of a disposition review.

Across all other county class groups, the average distribution of delinquency placements was nearly 50% from new allegations and 50% from disposition reviews. Philadelphia, Allegheny, and Class 2A are the county class groups with a majority of delinquency placements originating from disposition reviews.

COUNTY	NEW ALLEGATION PLACEMENTS	DISPOSITION REVIEW PLACEMENTS	TOTAL PLACEMENTS

Total Delinquency Placements by Type, 2018 Including Disposition Reviews

Beginning in 2016, the collection of delinquency placement-related data was enhanced within the Pennsylvania Juvenile Case Management System (PaJCMS). All residential placement programs are now categorized by licensed service types, which are determined by 55 PA Code Chapter 3140. For the purposes of this report, there are three overarching service types: Community Based, Institutional, and “Other.”

Community Based Category:

- Community Residential Service/Group Home
- Foster Care
- Supervised Independent Living
- Transitional Living

Institutional Category:

- General Residential
- Secure Residential
- YDC Secure
- YDC/YFC Non-Secure

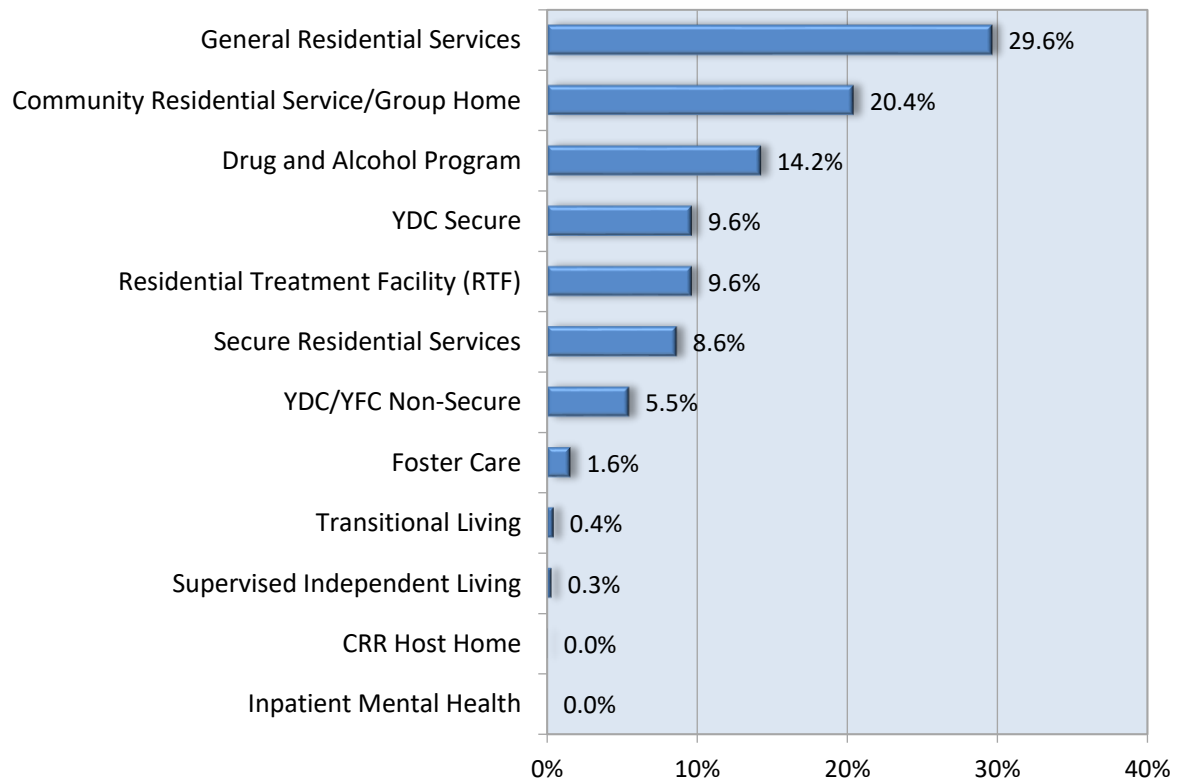

“Other” Category:

- CRR Host Home
- Drug and Alcohol Program
- Inpatient Mental Health
- Residential Treatment Facility (RTF)

General Residential Services, Community Residential Service/Group Homes, and Drug and Alcohol Programs were the most frequently used programs in 2018, comprising 64.2% of all delinquency placements.

Note: Due to changes in PaJCMS classification of placement service types in 2016, the reader is cautioned against comparing this data to previously published (2015 and earlier) delinquency placement data.

Delinquency Placements by Type, 2018

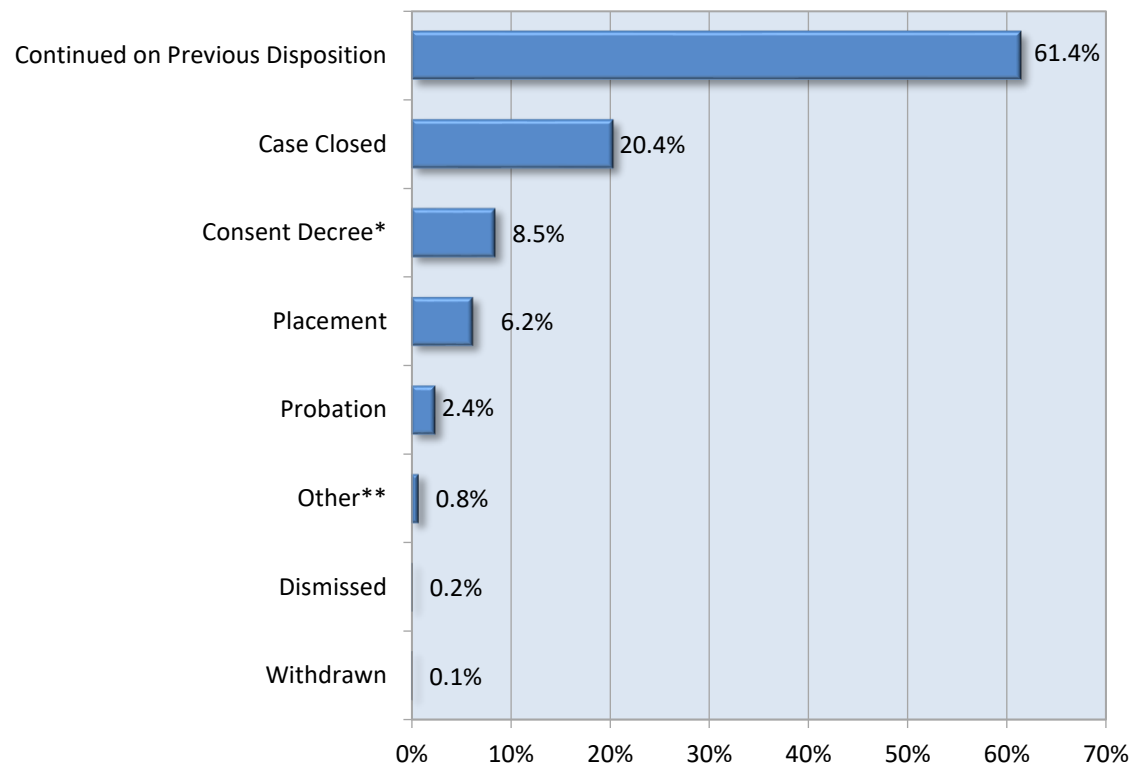

Section 5: Delinquency Disposition and Placement Reviews

Outcomes of Delinquency Disposition Reviews, 2018

Although the majority of delinquency placements resulted from disposition reviews (see page 39), less than 1 in 10 disposition review proceedings resulted in a delinquency placement. The vast majority of disposition reviews resulted in an order of Continued on Previous Disposition.

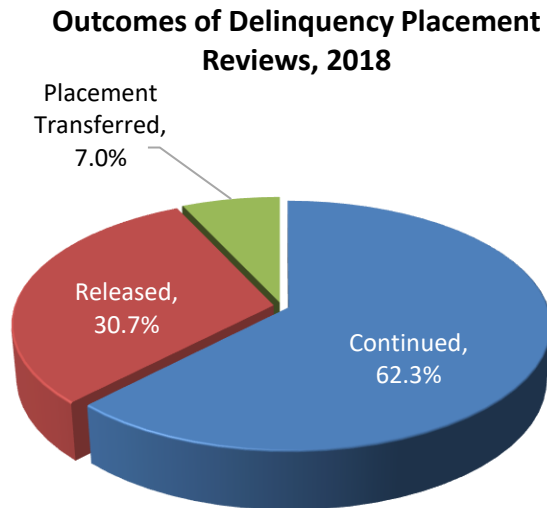

Outcomes of Delinquency Disposition Reviews as a % of Total, 2018

*The following counties had a total of 2,020 cases where the disposition was reported as deferred adjudication with no reported adjudication of delinquency at the time of disposition. These dispositions have been included in the disposition of Consent Decree. (Armstrong-1, Carbon-2, Centre-1, Chester-1, Erie-1, Luzerne-7, Mercer-3, Monroe-1, Northumberland-1, Philadelphia-1,996, and York-6).

**The "Other" category includes dispositions of Administrative Supervision Only/Collections, Other, Fines and/or Costs Ordered, Restitution Only Ordered, Informal Adjustment, Transferred to Criminal Court, Community Service Only, Transfer to Other Juvenile Court, Referred to Another Agency/Individual, and Warned and Counseled.

Outcomes of Delinquency Placement Reviews, 2018

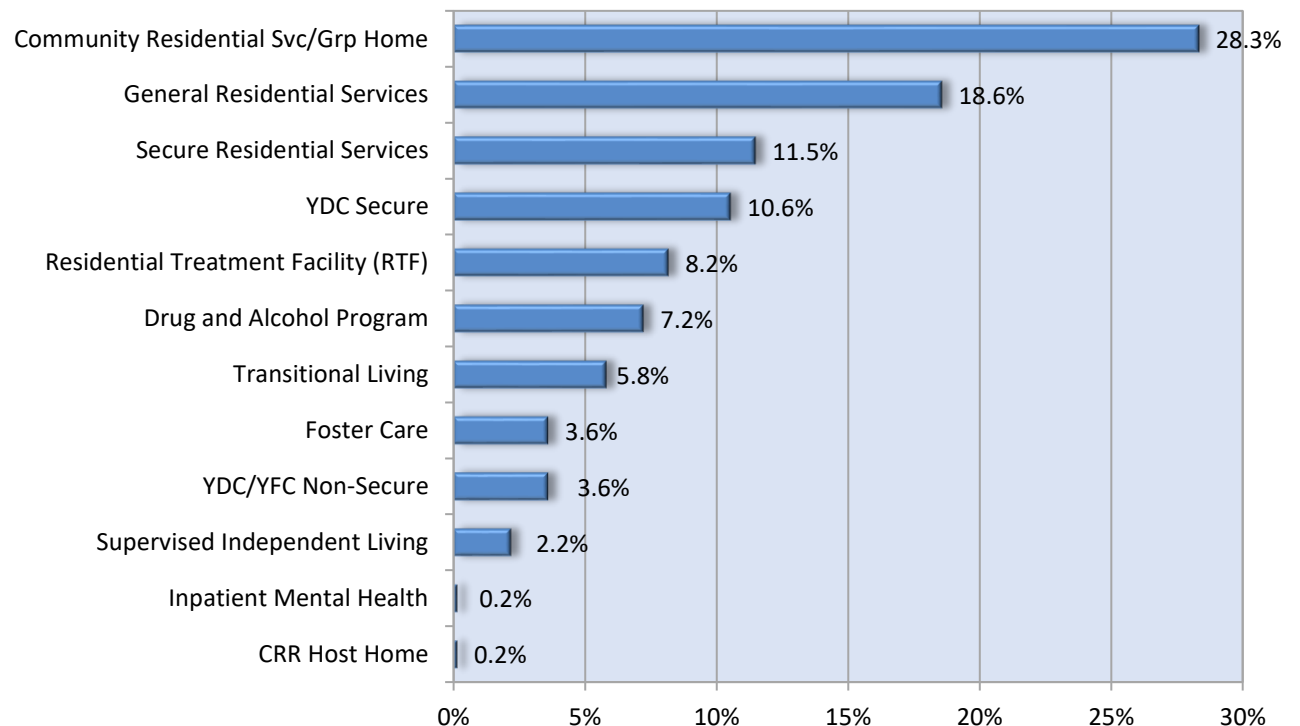

A placement review is a hearing conducted by the court regarding a previous disposition which resulted in out-of-home placement.

The majority of delinquency placement review proceedings resulted in an order of Continued in Previous Placement (62.3%). Released from Placement was the outcome in 30.7% of placement reviews and Transferred to Another Placement occurred in 7.0% of placement reviews.

In the small percentage of placement reviews in which a transfer to another placement was ordered, most transfers were to a community residential service/group home.

Transferred Placements by Type, 2018

Section 6: Dependency Dispositions

Dependency Dispositions, 2018

Since 1991, the Juvenile Court Judges' Commission collects information on dependency cases processed by juvenile probation departments. These figures do not reflect the total number of dependency cases in the Commonwealth. A dependency case is defined as a new referral that is processed by the juvenile probation department and that does not have accompanying delinquency allegations.

Only the counties that report dependency dispositions are shown in the tables in this section.

COUNTY	TOTAL DISPOSITIONS	CONSENT DECREE	DISMISSED	INFORMAL ADJUSTMENT	OTHER	PLACEMENT	PROTECTIVE SUPERVISION	WARNED AND COUNSELED	WITHDRAWN

Secure Detention Admissions by Section Code 206 and County Class, 2018

The following charts display the utilization of selected codes as a percentage of total secure detention admissions.

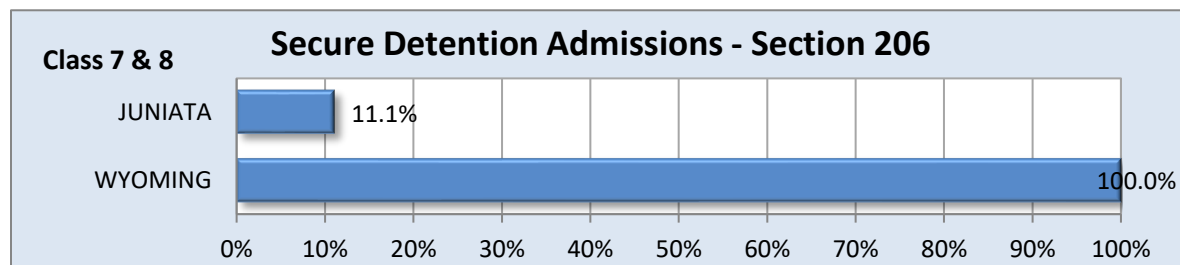

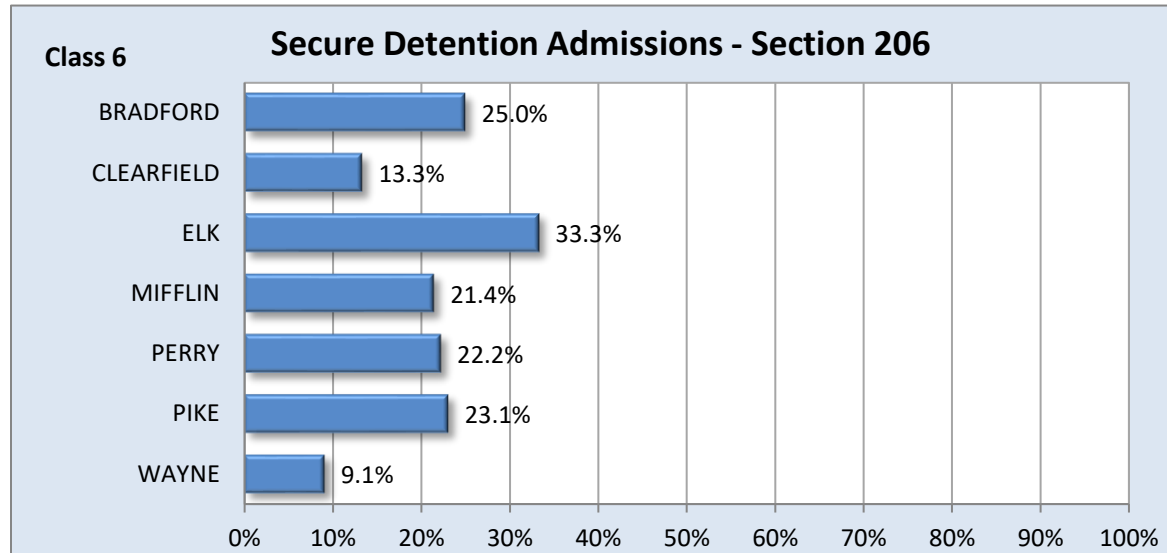

Code 206 The child presents extraordinary circumstances requiring secure detention to prevent him/her from absconding. (Such circumstances may include, but are not limited to: the child's age, character, mental condition, ties to the community, the nature of the child's family relationships, drug or alcohol addiction and substance abuse.)

Note: Counties that did not use Section Codes 206, 701, or did not have Unreported codes are not included.

Note: Counties that did not use Section Codes 206, 701, or did not have Unreported codes are not included.

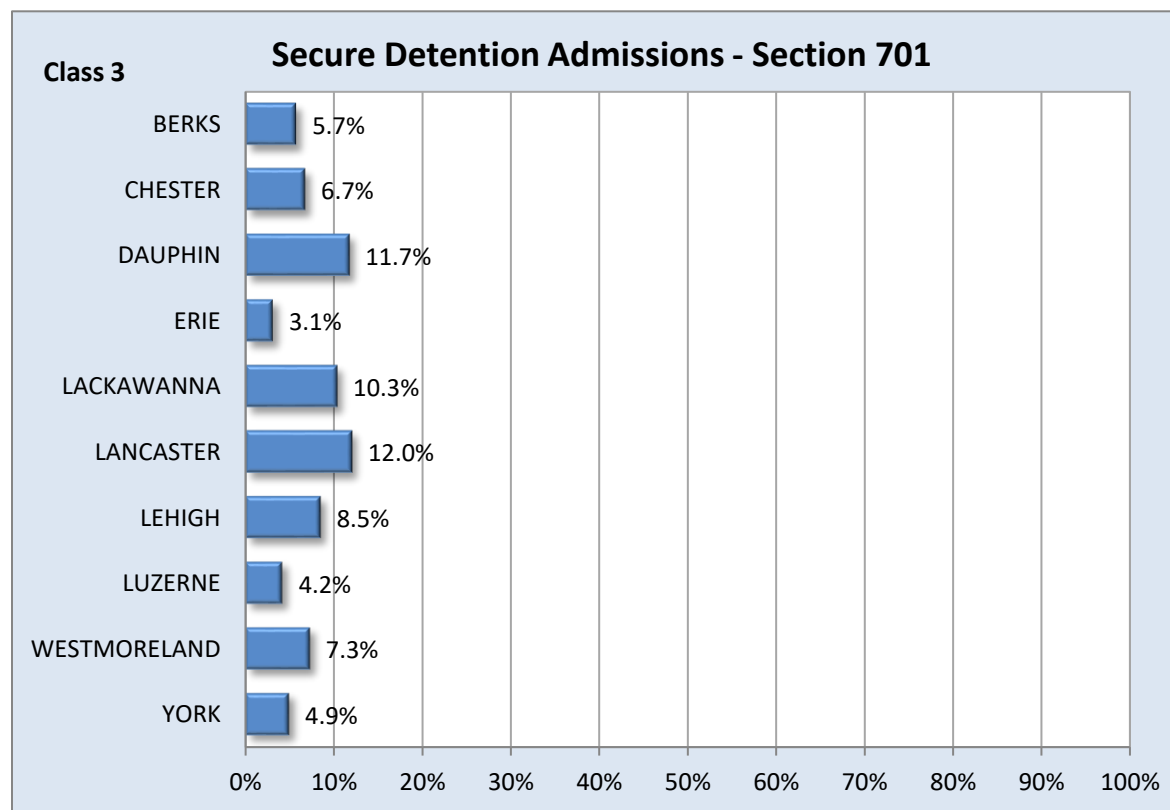

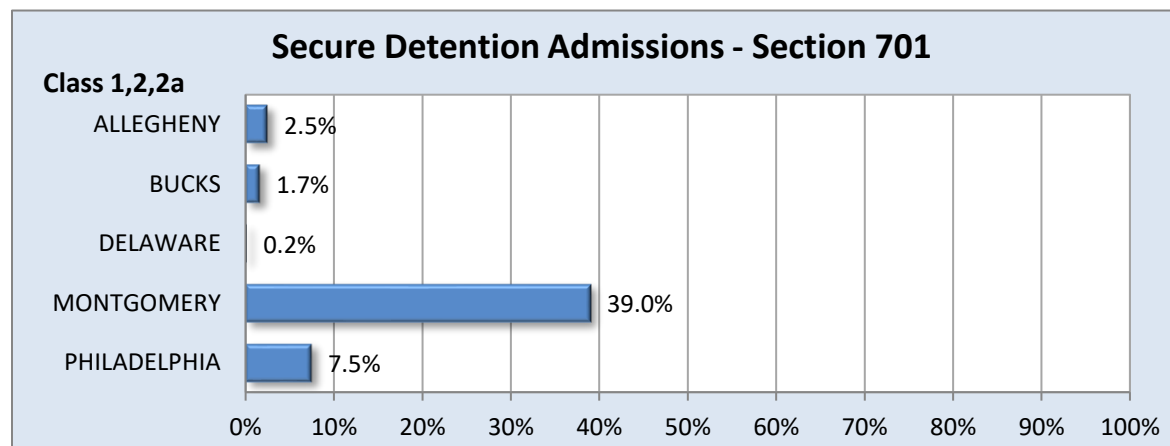

Note: Counties that did not use Section Codes 206, 701, or did not have Unreported codes are not included.

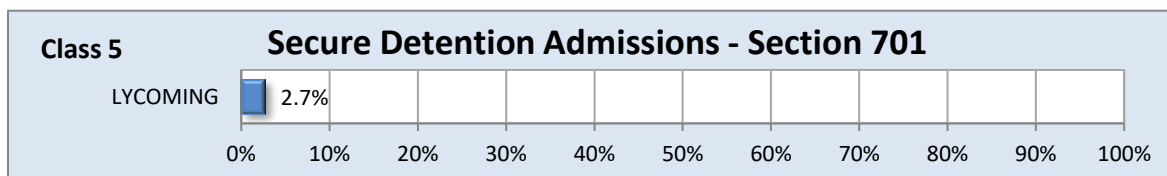

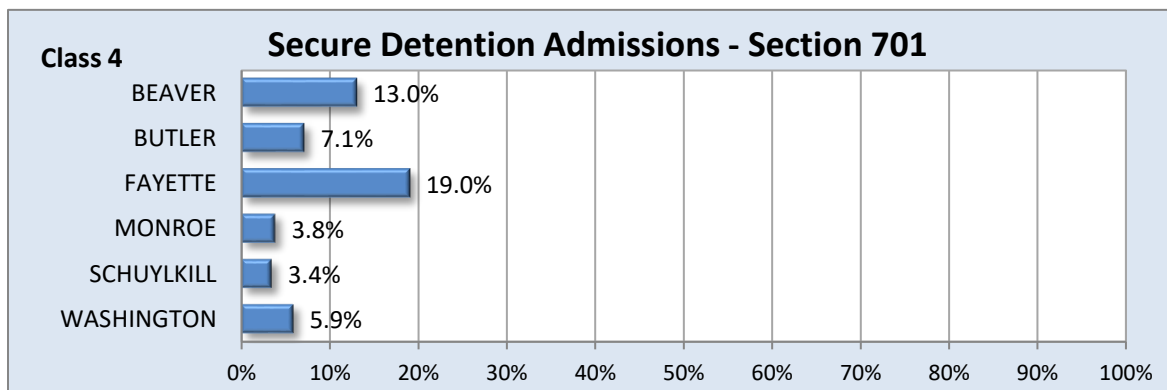

Secure Detention Admissions by Section Code 701 and County Class, 2018

The following charts display the utilization of selected codes as a percentage of total secure detention admissions.

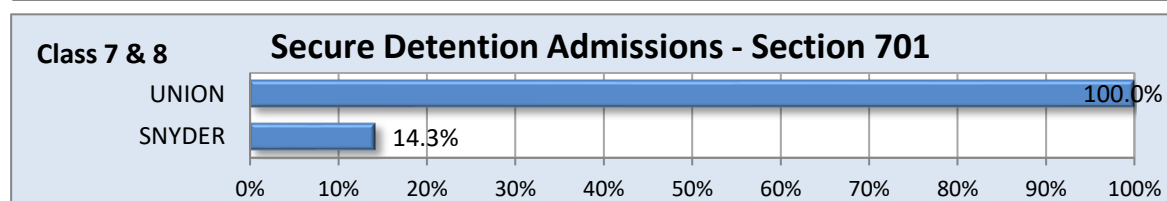

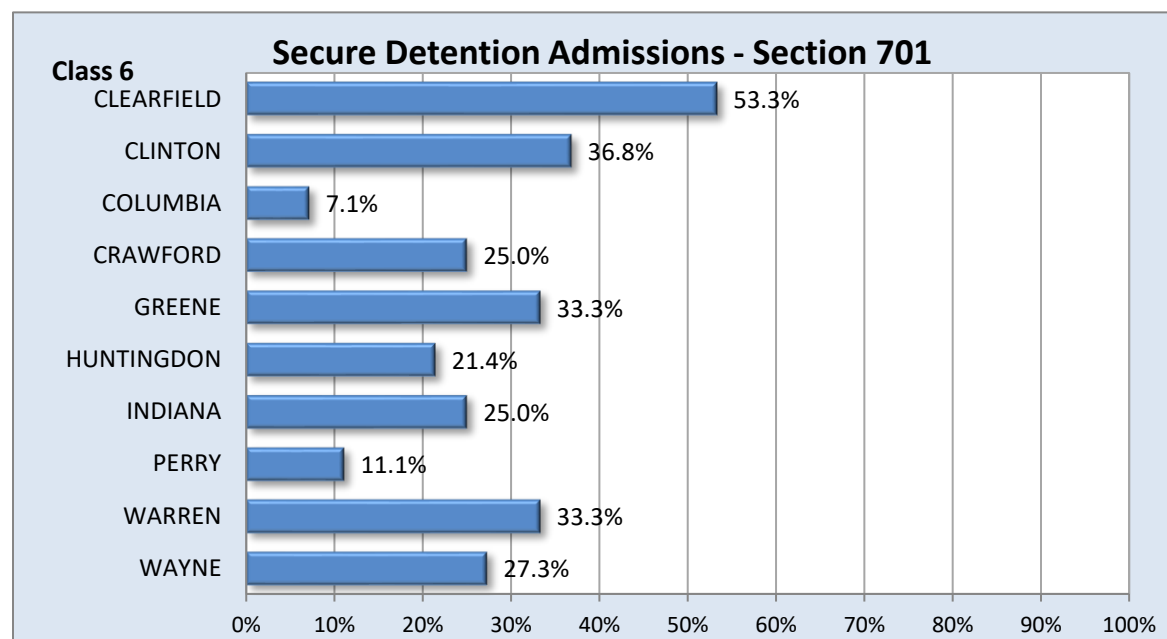

Code 701 Circumstances under which secure detention may be authorized on the basis of extraordinary and exceptional circumstances.

Note: Counties that did not use Section Codes 206, 701, or did not have Unreported codes are not included.

Note: Counties that did not use Section Codes 206, 701, or did not have Unreported codes are not included.

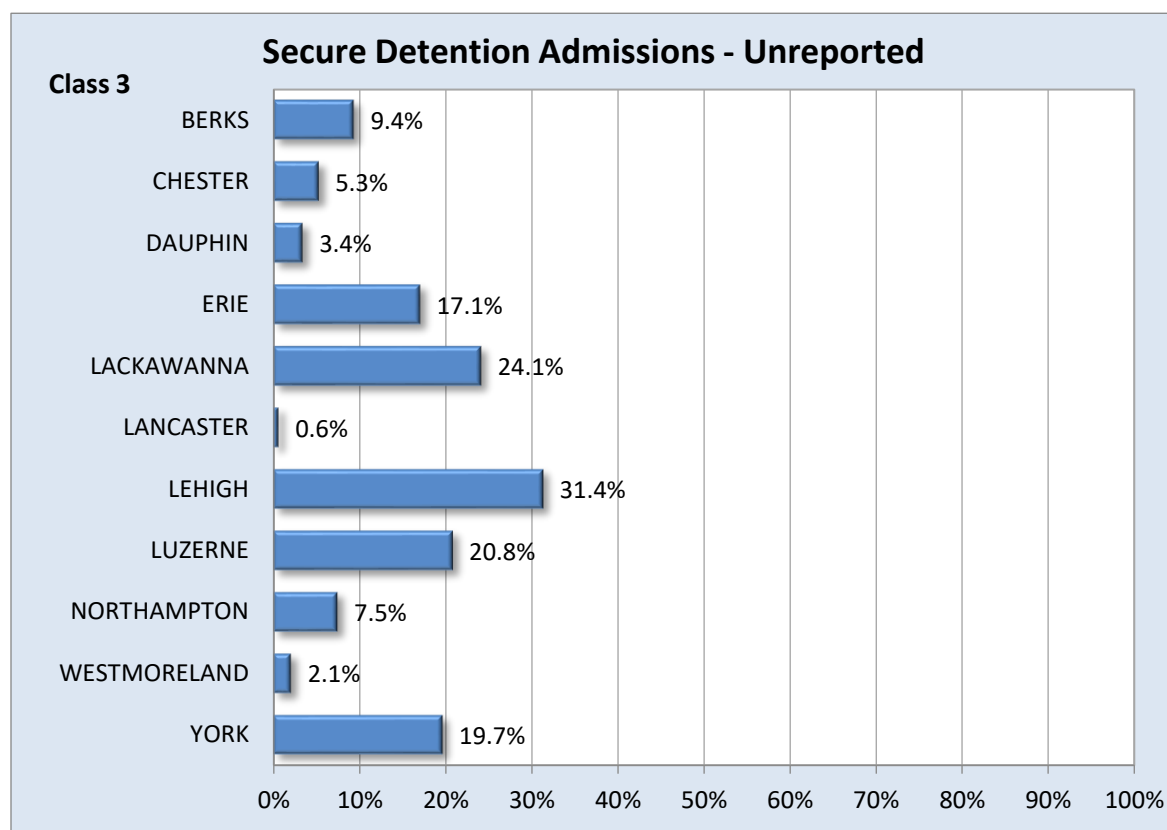

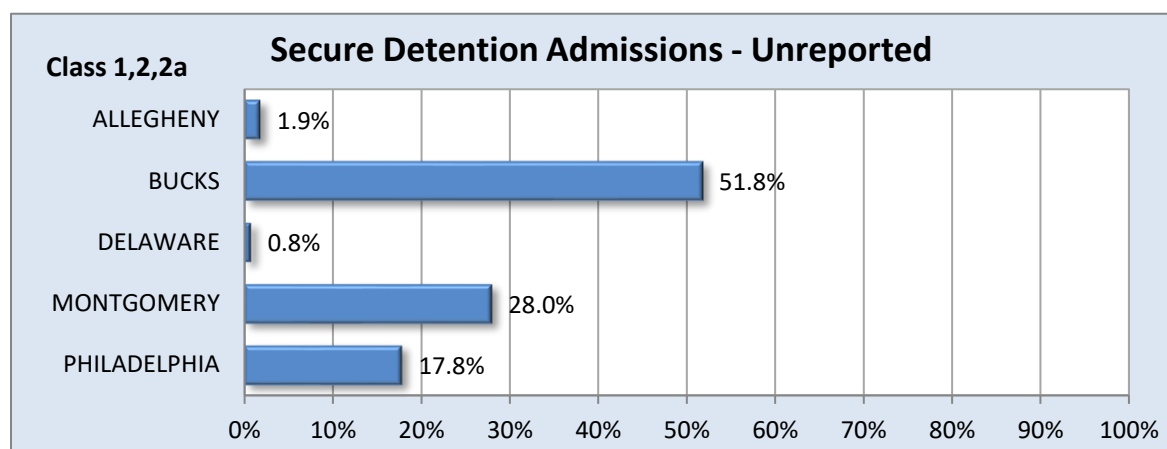

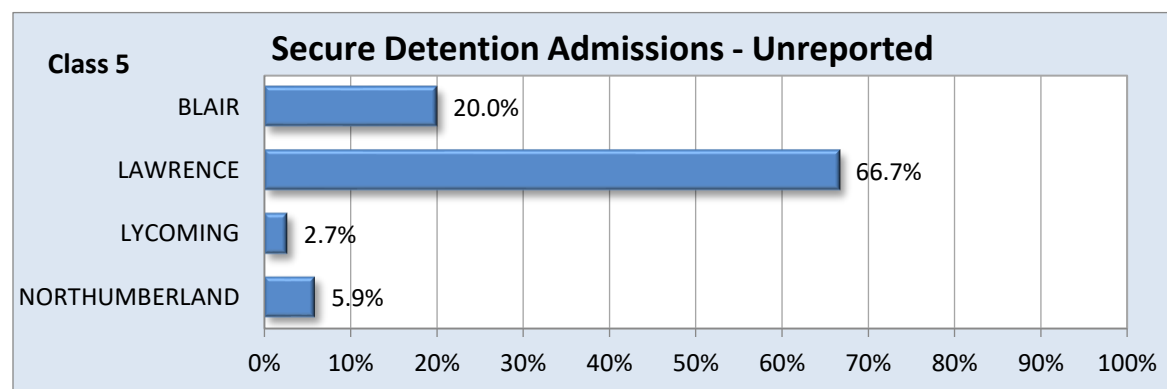

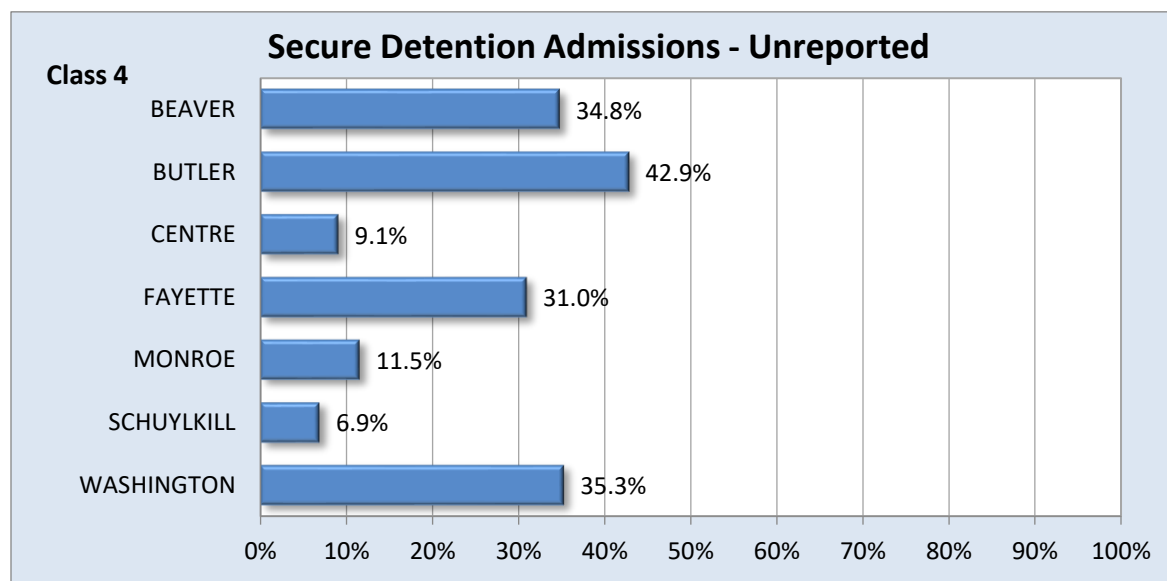

Secure Detention Admissions by Unreported Code and County Class, 2018

The following charts display the utilization of selected codes as a percentage of total secure detention admissions.

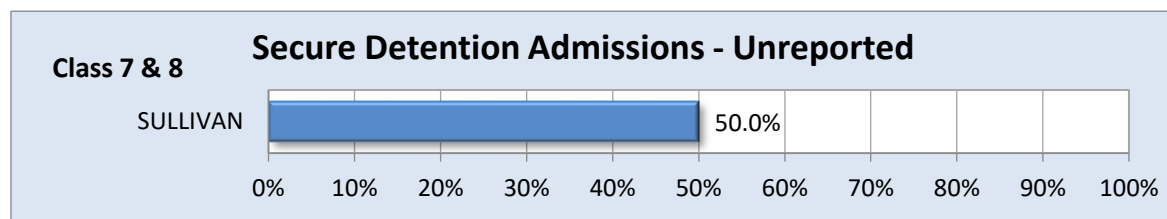

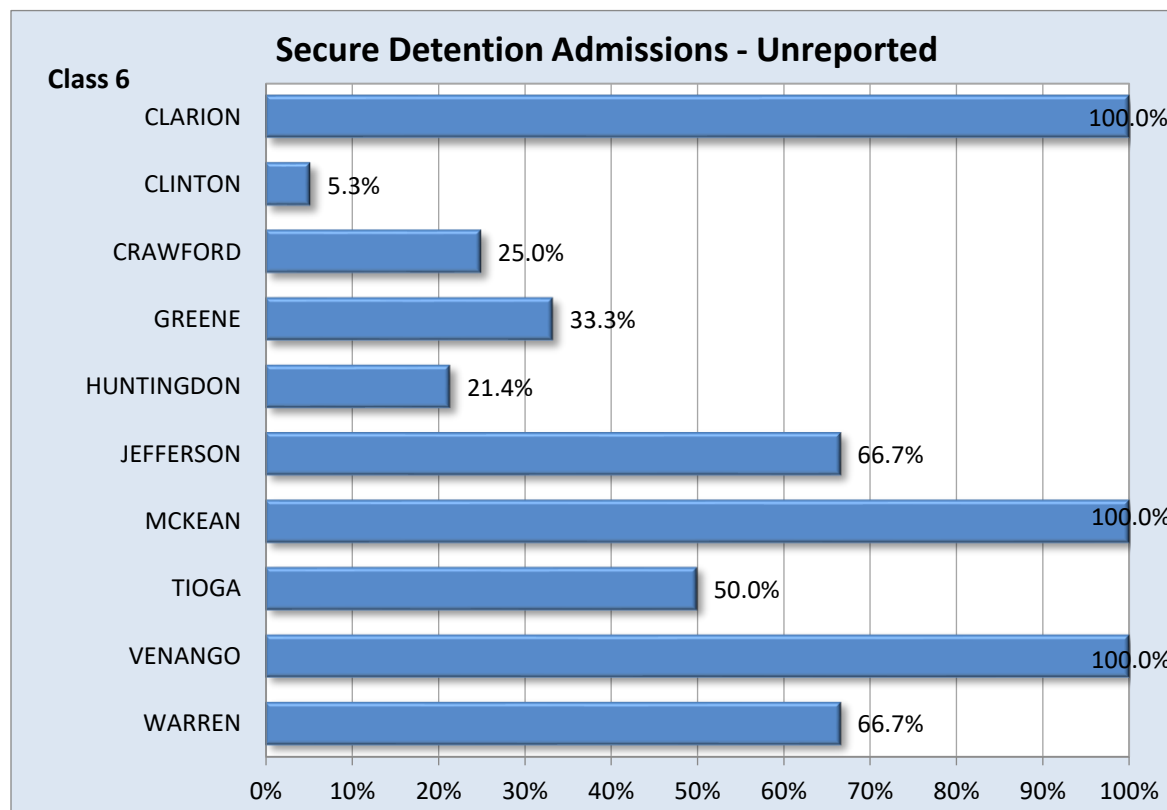

Unreported The Unreported category, as shown in this report, indicates that a code was not reported to the JCJC.

Note: Counties that did not use Section Codes 206, 701, or did not have Unreported codes are not included.

Note: Counties that did not use Section Codes 206, 701, or did not have Unreported codes are not included.

Note: Counties that did not use Section Codes 206, 701, or did not have Unreported codes are not included.

Delinquency Dispositions, 2014-2018

The information in this section includes those cases referred to juvenile probation with alleged delinquent offenses. Disposition reviews and Placement reviews, and dispositions involving children alleged to be dependent are not included.

*The following counties had a total of 2,020 cases where the disposition was reported as deferred adjudication with no reported adjudication of delinquency at the time of disposition. These dispositions have been included in the disposition of Consent Decree. (Armstrong-1, Carbon-2, Centre-1, Chester-1, Erie-1, Luzerne-7, Mercer-3, Monroe-1, Northumberland-1, Philadelphia-1,996, and York-6).

Outcomes of Delinquency Placement Reviews, 2018

A *placement review* is a hearing conducted by the court regarding a previous disposition that resulted in out-of-home placement.
