NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

Date: December 12, 2025

Grantee Name: County of Venango

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

This notice shall satisfy the procedural requirements for the activities to be undertaken by the County of Venango.

On or about **December 29, 2025**, the above-named Grantee will request that the Department of Community and Economic Development (DCED) release funds for the **Community Development Block Grant (CDBG)** authorized by Title I of the Housing and Community Development Act of 1974 (PL 93-383) in the amount of **\$60,868.00** to undertake a project known as the **Venango County Demolition/Clearance Program** for the purpose of performing demolition and clearance activities at locations owned by the local government which are condemned and/or blighted and in-need of removal due to significant concerns for health and safety. These properties will be considered on a case-by-case basis and may be located in **Venango County**. The scope of anticipated activities included in this project will be limited to demolition and clearance in order to reduce blight. The ultimate purpose of this project is to reduce the spread of blight throughout the County. The activities proposed are categorically excluded under HUD regulations at 24 CFR Part 58 from National Environmental Policy Act (NEPA) requirements. An environmental review record (ERR) which documents the Environmental Review of these projects has been made available by the Grantee. The ERR is on file at the Venango County Regional Planning Commission, 1168 Liberty Street, Franklin, PA 16323, and is available for public examination and copying upon request. The ERR can also be made available to the public for review either electronically or by U.S. mail. Please submit your request by U.S. mail to 1168 Liberty Street, PO Box 831, Franklin, PA 16323 or by email to alex.shreffler@venangocountypa.gov. The ERR can be accessed online at the following websites: www.venangocountypa.gov/Planning

PUBLIC COMMENT ON FINDINGS

All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the Grantee to the Venango County Regional Planning Commission, 1168 Liberty Street, Franklin, PA 16323. Such written comments must be received **on or before December 26, 2025**. Comments shall specify which part of the notice they are addressing. All such comments so received will be considered and the Grantee will not request the release of SCP funds or take any administrative action on the above-named projects prior to the date specified in the preceding sentence.

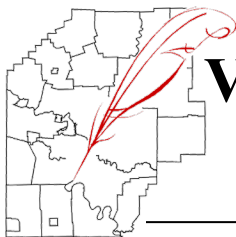

ENVIRONMENTAL CERTIFICATION

The County of Venango also certifies to DCED that **Samuel H. Breene**, the Certifying Officer of Venango County, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to Environmental Reviews, decision making and action; and that these responsibilities have been satisfied. DCED's approval of the certification satisfies its responsibilities under the National Environmental Policy Act of 1969 and related laws and authorities, and allows Venango County to use program funds.

OBJECTIONS TO RELEASE OF FUNDS

DCED will accept objections to its release of funds for Venango County's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of Venango County; (b) Venango County has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by DCED; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec.58.76) and shall be addressed to Department of Community and Economic Development, Center for Community Building, 4th Floor, Commonwealth Keystone Building, Harrisburg PA 17120-0225 or emailed to Christine Howe at chrhowe@pa.gov. Potential objectors should contact DCED to verify the actual last day of the objection period.

Community Development Block Grant 2024 – Venango County Demolition/Clearance Program

Municipality: Venango County
Contact Person: Alexandria Shreffler, Geospatial Analyst – 814-432-9676 or Alex.Shreffler@VenangoCountyPA.gov
Certifying Officer: Samuel Breene, Venango County Commissioner (Chair)

ACTION		DATE	
1.	Required Notice(s): Request for Release of Funds (RROF)		
	Public Comment Period: 7 days with publication / 10 days without publication	FROM:	December 12, 2025
		TO:	December 26, 2025
2.	Deadline for Receipt of Public Comments to Responsible Entity		December 26, 2025
3.	Submission of Form HUD-7015.15 to DCED		December 29, 2025
4.	Approximate Date Received by DCED		December 29, 2025
5.	Statutory 15-Day Waiting Period for Receipt of Comments to DCED	FROM:	December 30, 2025
		TO:	January 13, 2026
6.	Deadline for Receipt of Objections to DCED		January 13, 2026
7.	Approximate Date of DCED Authority to Use Grant Funds		January 14, 2026

Broad-Level Tiered Environmental Review for Activity/Project that is Categorically Excluded Subject to Section 58.5 Pursuant to 24 CFR 58.35(a)

Project Information

Project Name: Venango County Demolition/Clearance

Responsible Entity: County of Venango

Grant Recipient:

(if different than Responsible Entity)

State/Local Identifier: Pennsylvania

Preparer: Alexandria Shreffler

Certifying Officer Name and Title: Samuel Breene, Venango County Commissioner (Chair)

Consultant:

(if applicable)

Direct Comments to: Alexandria Shreffler

Project Location: Venango County

Approx. size of the project area: 683 square miles

Length of time covered by this review: 5 years

Maximum number of projects: 2-4 projects

Description of the Proposed Project [24 CFR 50.12 & 58.32; 40 CFR 1508.25]:

Venango County will use FFY 2024 funds to perform demolition and clearance activities at locations owned by the local government which are condemned and/or blighted and in-need of removal due to significant concerns for health and safety. These properties will be considered on a case-by-case basis and will be located in Venango County. The scope of anticipated activities included in this project will be limited to demolition and clearance in order to reduce blight. The ultimate purpose of this project is to reduce the spread of blight throughout the County. In accordance with 58.15, a tiered review process has been structured for the unidentified scattered sites and this review serves as further documentation Tier 2 procedures.

Level of Environmental Review Determination:

Categorically Excluded per 24 CFR 58.35(a), and subject to laws and authorities at §58.5.

Funding Information

Grant Number	HUD Program	Funding Amount
C000093585	CDBG 2024	\$60,868.00

Estimated Total HUD Funded Amount: \$60,868.00

Estimated Total Project Cost (HUD and non-HUD funds) [24 CFR 58.32(d)]: \$60,868.00

Compliance with 24 CFR 50.4, 58.5, and 58.6 Laws and Authorities

Record below the compliance or conformance determinations for each statute, executive order, or regulation. Provide credible, traceable, and supportive source documentation for each authority. Where applicable, complete the necessary reviews or consultations and obtain or note applicable permits of approvals. Clearly note citations, dates/names/titles of contacts, and page references. Attach additional documentation as appropriate.

Compliance Factors: Statutes, Executive Orders, and Regulations listed at 24 CFR §58.5 and §58.6	Was compliance achieved at the broad level of review?	If Yes: Describe the compliance determinations made at the broad level. If No: Describe the policy, standard, or process to be followed in the site-specific review.
STATUTES, EXECUTIVE ORDERS, AND REGULATIONS LISTED AT 24 CFR 50.4 & 58.6		
Airport Hazards 24 CFR Part 51 Subpart D	Yes ☒ No ☐	There are no FAA regulated civil airports within 2,500 feet of Venango County, nor military airports within 15,000 feet (2.8 miles) of the project location. the nearest military airport, Muir Army Airfield in Fort Indianatown Gap, PA is over 200 miles away (Appendix A1).
Coastal Barrier Resources Coastal Barrier Resources Act, as amended by the Coastal Barrier Improvement Act of 1990 [16 USC 3501]	Yes ☒ No ☐	Venango County is in a state (Pennsylvania) that does not include any Coastal Barrier Resources. Furthermore, Venango County is located 37 miles from Lake Erie, the nearest Coast (Appendix B1).
Flood Insurance Flood Disaster Protection Act of 1973 and National Flood Insurance Reform Act of 1994 [42 USC 4001-4128 and 42 USC 5154a]	Yes ☒ No ☐	As a demolition activity, this project will not involve the construction or repair of a structure and therefore does not require flood insurance.
STATUTES, EXECUTIVE ORDERS, AND REGULATIONS LISTED AT 24 CFR 50.4 & 58.5		
Clean Air Clean Air Act, as amended, particularly section 176(c) & (d); 40 CFR Parts 6, 51, 93	Yes ☒ No ☐	This project does not constitute a significant new source of air pollution as there will be no new construction or conversion of land use for public, commercial, industrial facilities or five or more residential units. Furthermore, Venango County is in an area in attainment with the National Ambient Air Quality Standards (Appendix C1).
Coastal Zone Management Coastal Zone Management Act, sections 307(c) & (d)	Yes ☒ No ☐	This project is not located in, nor does it affect, any defined coastal zones. Venango County is located 37 miles from Lake Erie, the nearest Coast (Appendix B1).
Contamination and Toxic Substances 24 CFR Part 50.3(i) & 58.5(i)(2)	Yes ☐ No ☒	Each project will be reviewed for proximity to EPA regulated facilities, and any sites within 3000 feet will be identified and listed. Each project site will be reviewed for any potential history of possible contamination. The results will be reported in the Tier 2 Site Specific Checklist required for each project.
Endangered Species Endangered Species Act of 1973, particularly section 7; 50 CFR Part 402	Yes ☐ No ☒	Since some areas of Venango County include potentially sensitive habitat, each site will be submitted through the Pennsylvania Conservation Explorer tool for review by the Department of Conservation and Natural Resources, the Pennsylvania Fish & Boat Commission, the Pennsylvania Game Commission, and the US Fish & Wildlife Service. The results will be reported in the Tier 2 Site Specific Checklist required for each project.
Explosive and Flammable Hazards 24 CFR Part 51 Subpart C	Yes ☐ No ☒	This scope of this project does not include development, construction, or rehabilitation. Although the property will likely be converted from a dilapidated structure to open-space, and any current or planned above-ground storage containers (more than 100 gallons in capacity) containing flammable or explosive materials within 1-mile will be reported in the Tier 2 Site Specific Checklist required for each project.
Farmlands Protection Farmland Protection Policy Act of 1981, particularly sections 1504(b) and 1541; 7 CFR Part 658	Yes ☒ No ☐	The scope of these projects will not include any new construction, acquisition of undeveloped land, or conversion of land currently designated as agricultural.
Floodplain Management Executive Order 11988, particularly section 2(a); 24 CFR Part 55	Yes ☐ No ☒	Since the Venango County does have mapped Special Flood Hazard Areas and this activity is not eligible for exemption, the flood zone will be reported in the Tier 2 Site Specific Checklist required for each project.
Historic Preservation National Historic Preservation Act of 1966, particularly sections 106 and 110; 36 CFR Part 800	Yes ☐ No ☒	Since some areas of Venango County may be historically important and require preservation, each site will be submitted through the Pennsylvania Historic & Archeological Resource Exchange (PA-SHARE) for review by the Pennsylvania State Historic Preservation Office. Their determination will be reported in the Tier 2 Site Specific Checklist required for each project.

Noise Abatement and Control Noise Control Act of 1972, as amended by the Quiet Communities Act of 1978; 24 CFR Part 51 Subpart B	Yes No ☒ ☐	This project does not include new construction, rehabilitation, or research demonstration.
Sole Source Aquifers Safe Drinking Water Act of 1974, as amended, particularly section 1424(e); 40 CFR Part 149	Yes No ☒ ☐	There are no U.S. EPA Designated Sole Source Aquifers in Venango County (Appendix B1).
Wetlands Protection Executive Order 11990, particularly sections 2 and 5	Yes No ☐ ☒	Since the scope of this project may involve ground disturbance, each location will be reviewed for the presence of wetlands (including isolated and non-jurisdictional wetlands) and any potential impacts will be reported in the Tier 2 Site Specific Checklist required for each project.
Wild and Scenic Rivers Wild and Scenic Rivers Act of 1968, particularly section 7(b) and (c)	Yes No ☐ ☒	Since there are portions of a designated Wild and Scenic River within 0.25 miles of the general area, each project will be reviewed for proximity to the nearest river listed on the National River Inventory (NRI) list of Wild and Scenic Rivers, the Allegheny River, and the managing agency (The Allegheny National Forest) will be consulted for a determination on any potential impacts. The managing agency's determination will be reported in the Tier 2 Site Specific Checklist required for each project. Generally, these projects are not expected to propose alteration of the watercourse or natural flow of water to any waterway, and would not be considered a "water resources project" subject to Section 7.
ENVIRONMENTAL JUSTICE		
Environmental Justice Executive Order 12898	Yes No ☒ ☐	The compliance factor required by EO 12898 was repealed by EO "Ending Illegal Discrimination and Restoring Merit-Based Opportunity" issued on January 21, 2025.

This document represents the TIER 1 or "Broad-Level" review ONLY. Each project identified will be listed on an attached page, and TIER 2 or "Site-Specific" review/checklists will be completed. All laws and authorities requiring site-specific analysis will be addressed in these individual reviews. As individual sites are selected and reviewed, supporting documentation (including site-specific checklists) will be attached.

Determination:

- ☐ Extraordinary circumstances exist and this project may result in significant environmental impact and will require the preparation of an Environmental Assessment (EA); OR
- ☒ There are no extraordinary circumstances which would require the completion of an EA, and this project may remain CEST.

Elevation: 480.0
Left
Runway Heading: 240° True
121 Feet
P4L (3.00° Glide Path Angle)
Yes

Helipad H1

Dimensions: 100 x 100 feet / 30 x 30 meters
Surface: Concrete
Coordinates: N40°26.24' / W76°33.93' N0°0.00' / E0°0.00'
Elevation: 485.2

Helipad H2

Dimensions: 100 x 100 feet / 30 x 30 meters
Surface: Concrete
Coordinates: N40°26.14' / W76°34.14' N0°0.00' / E0°0.00'
Elevation: 489.6

Helipad H3

Dimensions: 100 x 100 feet / 30 x 30 meters
Surface: Concrete
Coordinates: N40°26.04' / W76°34.01' N0°0.00' / E0°0.00'
Elevation: 465.7
